Notice of the 78th Annual General Meeting

NOTICE is hereby given that the **78th Annual General Meeting** of the Shareholders of **PILANI INVESTMENT AND INDUSTRIES CORPORATION LIMITED** will be held on **Monday, 30th June, 2025 at 3.00 P.M. IST** through Video Conferencing ("VC")/ Other Audio-Visual Means ("OAVM") facility, to transact, with or without modification(s) the following business:

ORDINARY BUSINESS

1. To receive, consider and adopt the Audited Financial Statements of the Company (including Audited Consolidated Financial Statements) for the Financial Year ended 31st March, 2025, together with the Reports of the Board of Directors and Auditors thereon.
2. To declare dividend on Equity Shares for the year ended 31st March, 2025.
3. To appoint a director in place of Smt. Rajashree Birla (DIN: 00022995) who retires from office by rotation, but being eligible, offers herself for re-appointment.

SPECIAL BUSINESS

4. To consider, and if thought fit, to pass the following resolution, as a **Special Resolution**:

"RESOLVED THAT pursuant to the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) and any other applicable laws, rules and regulations, consent of the Members be and is hereby accorded to the continuation of Smt. Rajashree Birla (DIN: 00022995), who has attained the age of 75 years, as a Non-Executive Director of the Company."

"RESOLVED FURTHER THAT any of the Director, Chief Executive Officer, Chief Financial Officer and the Company Secretary of the Company, be and are hereby severally authorized to take such steps and do all such acts, deeds, matters and things as may be considered necessary, proper and expedient to give effect to this Resolution."

5. To consider and, if thought fit, to pass with or without modification(s), the following resolution as a **Special Resolution**:

"RESOLVED THAT pursuant to the provisions of Section 180(1)(c) and other applicable provisions, if any, of the Companies Act, 2013 and the Rules made thereunder (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), as amended from time to time, the approval of the Members of the Company, be and is hereby accorded to the Board of Directors of the Company or any Committee of the Board (hereinafter referred to as the "Board") for borrowing from time to time, any sum or sums of monies, notwithstanding that the money to be borrowed together with the monies already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) may exceed the aggregate of its paid-up share capital, free reserves and securities premium that is to say, reserves

Notice (contd.)

not set apart for any specific purpose, provided that the total outstanding amount so borrowed shall not at any time exceed the sum of ₹3,500 Crores (Rupees Three Thousand Five Hundred Crores only)."

"RESOLVED FURTHER THAT the Board of Directors ('the Board', which term shall include any Committee authorized by the Board to exercise its powers including powers conferred on the Board by this resolution) of the Company be and is hereby authorized to do all such acts, deeds, matters and things and take all such steps as may be necessary, proper, expedient or desirable for the purpose of giving effect to this resolution and for matters connected therewith or incidental thereto, including delegation of any of the powers herein conferred on any Director(s), Chief Executive Officer, Chief Financial Officer and/or the Company Secretary of the Company."

6. To consider and, if thought fit, to pass with or without modification(s), the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT pursuant to the provisions of Regulation 23(4) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the applicable provisions of the Companies Act, 2013 read with the rules made thereunder and such other applicable provisions of law, if any, and any amendments, modifications, variations or re-enactments thereof (Applicable Laws) and the 'Related Party Transaction Policy' of the Company, as may be applicable from time to time, and pursuant to the consent and recommendation of the Audit Committee and the Board of Directors, the Members of the Company do hereby approve and accord approval to the Board of Directors of the Company (hereinafter referred to as Board which term shall be deemed to include any duly authorized Committee constituted/empowered by the Board, from time to time, to exercise its powers conferred by this resolution), for entering into and/or carrying out and/or continuing with contracts/arrangements/transactions (whether individual transaction or transactions taken together or series of transactions or otherwise) pertaining to grant of Inter Corporate Deposits (ICDs) / Loans by the Company to the below mentioned Related Parties, details whereof in relation to the transactions are more particularly set out in the explanatory statement annexed to the notice convening this meeting, notwithstanding that the aggregate value of such transactions, to be entered into may exceed ₹1,000 Crores or 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower, as prescribed under Applicable Laws or any other materiality threshold, as may be applicable from time to time, but shall not exceed the limit as specified below for each such party, provided, that the said contracts/arrangements/transactions shall be carried out on an arm's length basis and are in the ordinary course of business of the Company:

Name of the Related Party	Nature of Transaction	Maximum Amount Outstanding at any point of time (₹ in Crores)
Birla Group Holdings Private Limited	Extending Inter Corporate Deposits / Loans (in one or more tranches)	₹2,200 Crores
Applause Entertainment Private Limited		₹ 600 Crores
Azure Jouel Private Limited		₹700 Crores

"RESOLVED FURTHER THAT the Members of the Company do hereby approve and accord approval to the Board of Directors, to sign and execute all such documents, deeds and writings, including filing the said documents, etc. and do all such acts, deeds and things and take necessary steps as the Board may in its absolute discretion deem necessary, desirable or expedient to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution.

Notice (contd.)

“RESOLVED FURTHER THAT the Members of the Company, do hereby also accord approval to the Board of Directors of the Company, to delegate all or any of its powers herein conferred to any Committee of Directors and/or Director(s) and/or official(s) of the Company/any other person(s) so authorized by it, in accordance with Applicable Laws, to do all such acts, deeds, matters and things and also to execute such documents, writings etc. as may be considered necessary or expedient to give effect to the aforesaid resolution.”

7. To consider and, if thought fit, to pass with or without modification(s), the following resolution as an **Ordinary Resolution:**

“RESOLVED THAT pursuant to the provisions of Section 204 of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and Regulation 24A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment thereof for the time being in force), M/s. K. C. Dhanuka & Co. Practicing Company Secretaries, Kolkata (Firm Registration No. S1988WB004200 and Peer Review Certificate No. 2776/2022), be and are hereby appointed as Secretarial Auditor of the Company for a term of five consecutive years, commencing from the Financial Year 2025-26, on such remuneration plus applicable taxes and actual out of pocket expenses as approved by the Board of Directors of the Company, from time to time in consultation with the Secretarial Auditor.”

“RESOLVED FURTHER THAT any of the Director, Chief Executive Officer, Chief Financial Officer and the Company Secretary of the Company, be and are hereby severally authorized to take such steps and do all such acts, deeds, matters and things as may be considered necessary, proper and expedient to give effect to this Resolution.”

Notice (contd.)

NOTES:

1. In accordance with the circulars issued by the MCA and SEBI, the 78th Annual General Meeting of the Company (hereinafter referred to as "AGM") is being conducted through Video Conferencing ("VC") or Other Audio-Visual Means ("OAVM") without the physical presence of the members at a common venue.

Central Depository Services (India) Limited ("CDSL") will be providing facility for remote e-voting, participation in the AGM through VC/ OAVM and e-voting during the AGM.

2. A proxy is allowed to be appointed under Section 105 of the Companies Act, 2013 to attend and vote at the general meeting on behalf of a member who is not able to attend personally. Since the AGM will be conducted through VC / OAVM, there is no requirement of appointment of proxies. Hence, Proxy Form and Attendance Slip including Route Map are not annexed to this Notice.
3. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
4. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC/OAVM and vote on its behalf. The said Resolution/Authorization shall be sent to the Company at pilani@pilaniinvestment.com and to the Scrutiniser at sdalmiya.associates@gmail.com by email through registered email address with a copy marked to helpdesk.evoting@cdslindia.com latest by 5.00 p.m. on Sunday, 29th June, 2025.
5. In compliance with the aforesaid MCA and SEBI Circulars, Notice of the 78th AGM along with the Annual Report 2024-25 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report 2024- 25 will also be available on the Company's website at www.pilaniinvestment.com and on the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of Central Depository Services (India) Limited at www.evotingindia.com.
6. Register of Members and Transfer Books of the Equity Shares of the Company will remain closed from Tuesday, 24th June, 2025 to Monday, 30th June, 2025 (both days inclusive).
7.
 - a. Pursuant to the provisions of Section 124 of the Companies Act, 2013, the unpaid/ unclaimed dividend for and upto the financial year 2016 – 2017 has been transferred by the Company to the Investor Education and Protection Fund ("IEPF") established by the Central Government. Further, pursuant to the provisions of Investor Education and Protection Fund (Uploading of information regarding unpaid and unclaimed amounts lying with Companies) Rules, 2012, the Company has uploaded the details of unpaid and unclaimed dividend lying with the Company on the website of the Company (www.pilaniinvestment.com) and also on the website of the Ministry of Corporate Affairs.
 - b. In terms of the provisions of Section 124(5) of the Companies Act, 2013, dividend which remain unpaid/ unclaimed for a period of seven years from the date of declaration will be transferred to the IEPF. Further, in terms of the provisions of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), as amended from time to time, equity shares in respect of which dividends have not been paid or claimed for seven consecutive years or more from the date of declaration are also required to be transferred to IEPF Authority. Shareholders, who have so far not encashed their dividend relating to the financial year 2017-18 are requested to do so, by writing to the Secretarial Department at the Registered Office of the Company or to the RTA, failing which the dividend and the equity shares relating thereto will be transferred to the IEPF and the IEPF Authority respectively. In compliance with the aforesaid Rules, the Company has already transferred equity shares in respect of which dividend has not been paid or claimed by the shareholder for seven consecutive years, to the

Notice (contd.)

Demat Account of the Investor Education and Protection Fund Authority, after providing necessary intimations to the relevant shareholders.

- c. We give below the details of dividends paid by the Company and their respective due dates of transfer to such fund of the Central Government, if they remain unencashed:-

Dividend for the financial year ended	Date of declaration of Dividend	Last date for claiming unpaid Dividend

31 st March, 2019	25 th September, 2019	24 th October, 2026
31 st March, 2020	11 th September, 2020	10 th October, 2027
31 st March, 2021	16 th September, 2021	15 th October, 2028
31 st March, 2022	9 th September, 2022	8 th October, 2029
31 st March, 2023	5 th September, 2023	4 th October, 2030
31 st March, 2024	27 th September, 2024	26 th October, 2031

8.
 - a. Members who are holding Shares in identical order of names in more than one Folio is requested to apply to the Company or its RTA alongwith the relevant Share Certificate for consolidation of such folios in one folio.
 - b. Members are also requested to notify change in address, if any, immediately to the Company at its Registered Office or its RTA by quoting their Registered Folio Number(s) in respect of their physical shares and to their Depository Participants in respect of their electronic share account.
 - c. As per Regulation 40 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, securities of listed companies can be transferred only in dematerialized form with effect from 1st April, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrar and Transfer Agents ("RTA"), Niche Technologies Private Limited for assistance in this regard.
9. The Members holding shares of the Company in physical form are requested for furnishing their PAN, KYC details and Nomination pursuant to SEBI Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 3, 2021 & SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 dated 16th March, 2023. The formats are also available on the website of the Company.
10. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the Listed Companies to issue securities in demat form only while processing service requests viz. Issue of duplicate securities certificate; claim from Unclaimed Suspense Account; Renewal/ Exchange of securities certificates; Endorsement; Sub-division/splitting of securities certificates; Consolidation of securities certificates/folios; Transmission and Transposition. Accordingly, Shareholders are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the Company's website. Members holding equity shares of the Company in physical form are requested to kindly get their equity shares converted into demat/electronic form to get inherent benefits of dematerialisation and also considering that physical transfer of equity shares/ issuance of equity shares in physical form have been disallowed by SEBI.
11. Members are again requested to submit their PAN, KYC and nomination details immediately.
12. **THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**

In compliance with provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and

Notice (contd.)

Administration) Amendment Rules, 2015 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation 2015, the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at the 78th AGM by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the members using an electronic voting system ("remote e-Voting") from a place other than venue of the AGM will be provided by Central Depository Services (India) Limited (CDSL).

- (i) The voting period commences on Thursday, 26th June, 2025 at 9.00 A.M IST and ends on Sunday, 29th June, 2025 at 5.00 P.M. IST. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Monday, 23rd June, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	1) Users who have opted for CDSL's Easi / Easiest facility, can login through their existing user id and password.  20. During the AGM, Members may access the scanned copy of Register of Directors and Key Managerial Personnel and their Shareholding maintained under Section 170 of the Act and the Registers of Contracts and Arrangements in which Directors are interested maintained under Section 189 of the Act.
 21. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with RTA/Company in case the shares are held by them in physical form.

Notice (contd.)

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013.

ITEM NO. 4

Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations") requires the listed entities to obtain approval of shareholders by way of a Special Resolution to appoint or continue the directorship of Non-Executive Directors who have attained the age of 75 years.

Accordingly, a Special Resolution is being proposed to be passed by the members for the continuation of holding the office of Non-Executive Director by Smt. Rajashree Birla (DIN: 00022995), who has attained the age of 75 years till she becomes liable to retire by rotation pursuant to Section 152 of the Companies Act, 2013, in the Annual General Meeting of the Company.

Smt. Birla, aged about 80 years, Bachelor in Arts is a Non-Executive Director and also Chairperson of the Corporate Social Responsibility Committee of the Board. She is physically fit and in good health.

Smt. Birla is the Chairperson of the Aditya Birla Centre for Community Initiatives and Rural Development. Smt. Birla spearheads the social and community welfare activities across 40 companies in the Aditya Birla Group. The Aditya Birla Centre for Community Initiatives and Rural Development's work in education, healthcare, sustainable livelihood and social reform has created a positive difference in the lives of millions of people.

The significant extent and reach of the Aditya Birla Centre for Community Initiatives and Rural Development in uplifting and empowering communities exemplify Smt. Birla's inspirational leadership in corporate philanthropy. Her vision to elevate the underprivileged sections of society has inspired her to lead social causes including providing homes to the homeless & destitute and healthcare to the needy. Smt. Birla is a role model and an iconic leader for those who aspire to bring about positive changes in society.

A visionary and philanthropist par excellence, Smt. Birla has been recognised with various awards for her exemplary work in the field of social welfare including Padma Bhushan, one of the highest civilian awards instituted by the Government of India.

Smt. Birla holds a lot of important positions in various organisations involved in initiatives for social welfare and promotion of art and culture. Besides she is associated with various charitable trusts and educational, cultural & philanthropic institutions.

Smt. Birla is a Director on the Board of highly reputed listed companies prominent among them are Aditya Birla Real Estate Limited, Grasim Industries Limited, Hindalco Industries Limited, UltraTech Cement Limited and various Aditya Birla Group of Companies, national and international. She is the Chairperson of your Company and Century Enka Limited. She is not debarred from holding the office of Director by virtue of any order of Securities and Exchange Board of India and any other competent regulatory authority. Smt. Birla has not resigned from the Directorship, from any of the listed entities in which she acts as a Director in the past three years. She had attended all the Board meetings of the Company held during FY 2024-25. During the FY 2024-25 she was paid ₹ 1.20 Lakhs towards sitting fees. She was initially appointed as the Director of the Company on 27th August, 2018.

Smt. Birla is not related to any other Director of the Company. She is not acting as the Chairman/Member of any Committee of Directors of other public limited companies. {For this purpose, pursuant to Regulation 26 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, only two Committees viz. Audit Committee and Stakeholders Relationship Committee have been considered}. She does not hold any equity shares in the Company.

Except Smt. Birla, being an appointee, none of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financial or otherwise, in the resolution set out in this item of the notice. This

Notice (contd.)

explanatory statement may also be regarded as disclosure under 36 (3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-2 on General Meetings.

Based on the recommendation of the Nomination and Remuneration Committee and taking in account Smt. Birla's seniority, expertise and vast experience which has immensely benefitted the Company, the Board of Directors commends the approval by the Members for the continuation of directorship of Smt. Rajashree Birla as a Non-executive Director, notwithstanding she attaining the age of seventy five years.

ITEM NO. 5

As per the provisions of Section 180(1)(c) of the Companies Act, 2013, the Board of Directors of the Company cannot, except with the permission of the Shareholders in General Meeting by passing a Special Resolution, borrow monies in excess of the aggregate of the paid-up share capital, free reserves and securities premium of the Company.

In order to pursue opportunities that add value through both organic and inorganic means, it is crucial for the company to have access to various funding options. For this purpose, the Company is desirous of raising finance from various lending institutions and/or Bodies Corporate and/or such other persons as may be considered fit, which, together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) may exceed the aggregate of the paid-up share capital and free reserves and securities premium of the Company. This will enable the Company to finance and/or successfully explore various investment opportunities in the best interest of its stakeholders. Therefore, it is essential to obtain shareholder's approval by way of special resolution for fixing the borrowings limits up to ₹3,500 Crores (Rupees Three Thousand Five Hundred Crores only).

It would be in the interest of the Company to fix the borrowing limits and authorise the Board of Directors to borrow monies which may exceed at any time the aggregate of the paid-up capital of the Company and its free reserves and securities premium provided that the total outstanding amount so borrowed shall not at any time exceed the sum of ₹3,500 Crores (Rupees Three Thousand Five Hundred Crores only).

The Board of Directors recommends the special resolution as set out in item no. 5 for approval.

None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 5.

ITEM NO. 6

As per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 any transaction involving a transfer of resources, services or obligations between a listed entity and a related party of the listed entity will be considered as "related party transaction". And if the transaction to be entered into individually or taken together with previous transactions during a financial year, exceeds ₹1,000 Crores or 10% of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity, whichever is lower, such transaction shall be treated as "material related party transaction", and shall require shareholders approval.

The annual consolidated turnover of the Company for the financial year 2024-25 is ₹302.14 Crores. Accordingly, any transaction(s) by the Company with its related party exceeding ₹30.21 Crores (being 10% of the Company's annual consolidated turnover) shall be considered as material transaction and hence, approval of the Members will be required for the same.

The Company may be required to enter into transactions, as stated in the resolution at Item No. 6, during the Financial Year 2025 - 26, with Related Parties mentioned in the said resolution. It is therefore proposed to obtain the prior approval of its Members for entering into arrangements/transactions/ contracts with its related parties from time to time.

The Audit Committee and Board have approved the Related Party Transactions at their meetings held on 26th May, 2025, and thereby recommended to the members, in terms of Regulation 23 of SEBI (Listing Obligations and

Notice (contd.)

Disclosure Requirements) Regulations, 2015 and noted that these transactions shall be in the ordinary course of business and at arm's length basis and are in accordance with Related Party Transaction Policy of the Company.

Relevant information pursuant to the SEBI Master Circular dated 11th November, 2024 for compliance with the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is as below:

Sr. No.	Particulars	Details		
		Birla Group Holdings Private Limited (BGHPL)	Applause Entertainment Private Limited (Applause)	Azure Jouel Private Limited (Azure)

The RPTs proposed to be entered with BGHPL, Applause and Azure is in the ordinary course of business since the Company being a registered CIC is engaged in the activity of granting Inter Corporate Deposits /Loans to group companies. Such RPTs shall be entered into on an arm's length basis.		

Smt. Rajashree Birla, the Non-Executive Director of the Company also holds the position of Director in Birla Group Holdings Private Limited. Shri Kumar Mangalam Birla, Son of Smt. Rajashree Birla, also holds the position of Director in Birla Group Holdings Private Limited.

Except the above, none of the other Directors, Key Managerial Personnel and their relatives are concerned/interested, financially or otherwise in the above resolution, except to the extent of their shareholding/ common directorships, if any, in the Company and in any of the entities mentioned above.

Based on the information on the proposed transactions, the Audit Committee has approved entering into the said Material Related Parties Transactions and the Board of the Company has reviewed and recommended that the approval of the Members be also sought for the resolution contained at Item No. 6 of the accompanying notice.

The Board, therefore, recommends the passing of the Ordinary Resolution at Item No. 6 of the Notice, for the approval of the Members.

Where the materiality thresholds for related party transactions, as provided under Regulation 23(1) of the SEBI Listing Regulations, undergoes any modification or revision, as may be notified by appropriate authority, pursuant to which the requirement for seeking prior approval of Members remains no longer applicable with respect to the resolution or any part of the resolution, the resolution or such part of the resolution, as the case may be, shall be deemed

Notice (contd.)

infructuous and shall not be considered by the Company during the year financial year ending 2025- 26.

The Members may please note that in terms of provisions of the SEBI Listing Regulations, no Related Party/ies shall vote to approve the Ordinary Resolution at Item No. 6 of the Notice.

ITEM NO. 7

In accordance with Section 204 of the Companies Act 2013, read with the rules framed thereunder, and Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), every listed entity is required to undertake Secretarial Audit by a Peer Reviewed Secretarial Auditor who shall be appointed by the Members of the Company, on the recommendation of the Board of Directors, for a period of five consecutive years.

Based on the recommendation of the Audit Committee, the Board, at its Meeting held on 26th May, 2025 subject to the approval of the Members of the Company, approved appointment of M/s. K. C. Dhanuka & Co. Company Secretaries, Kolkata (Firm Registration No. S1988WB004200 and Peer Review Certificate No. 2776/2022) as the Secretarial Auditors of the Company, for a term of five (5) consecutive years, to hold office of the Secretarial Auditor from the Financial Year 2025-26 till 2029-30.

M/s. K.C. Dhanuka & Co., Company Secretaries is a peer reviewed firm with vast experience of over three decades in Corporate Laws, Secretarial Laws, SEBI, Taxation and Other Laws. The Board believes that his experience of conducting Secretarial Audit and knowledge of the legal and regulatory framework will be invaluable to the Company in ensuring continued adherence to compliance requirements, as applicable.

M/s. K. C. Dhanuka & Co., Practicing Company Secretaries, has consented to the said appointment and confirmed that they are Peer Reviewed Company Secretaries. They have further confirmed that they are not disqualified to be appointed as Secretarial Auditors in terms of Regulation 24A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The proposed remuneration to be paid to M/s. K.C. Dhanuka & Co., Company Secretaries, for the financial year 2025-26 is ₹36,000/- (Rupees Thirty-Six Thousand only) plus out of pocket expenses and applicable taxes. For the subsequent years, the Board of Directors will decide the remuneration based on recommendations of Audit Committee. There is no material change in the fees payable to M/s. K.C. Dhanuka & Co., Company Secretaries.

The Board, therefore, recommends the passing of the Ordinary Resolution at Item No. 7 of the Notice, for the approval of the Members.

None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 7.

INDIAN ACCOUNTING STANDARDS (IND AS)

The audited financial statements of the Company drawn up both on standalone and consolidated basis, for the financial year ended 31st March, 2025, are in accordance with the requirements of the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS Rules").

CHANGE IN THE NATURE OF BUSINESS, IF ANY

During the year under review, there has been no change in the nature of business of the Company.

SHARE CAPITAL

During the year under review, there has been no change in the Share capital of the Company.

Boards' Report (Contd.)

DIVIDEND

The Board of Directors has recommended a dividend of ₹ 15 /- (Rupees Fifteen only) per equity share of ₹ 10/- each equivalent to 150 % (One Hundred Fifty percent) on the paid-up equity share capital of the Company for the year ended 31st March, 2025 as against ₹ 15/- (Rupees Fifteen only) per equity share equivalent to 150% (one hundred fifty percent) paid in the previous year on the equity shares of ₹ 10/- each. The dividend will be paid after approval by the shareholders in accordance with law at the ensuing Annual General Meeting. Pursuant to the provisions of the Finance Act, 2020, dividend income will now be taxable in the hands of the Shareholders w.e.f. 1st April, 2020 and accordingly the Company would be required to deduct tax at source ("TDS") from such dividend at the prescribed rates under the Income Tax Act, 1961. The total outflow will be of ₹ 1,660.84 Lakhs.

TRANSFER TO RESERVES

Your Directors do not propose to transfer any amount to the General Reserves for the Financial Year ended 31st March, 2025.

DIRECTORS

Smt. Rajashree Birla, Director (DIN: 00022995) will be retiring at the ensuing 78th Annual General Meeting of the Company and being eligible, offers herself for being re-elected. Further in terms of Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, a special resolution would require to be passed for her re-appointment as she has attained the age of 75 years. The Board commends the resolution for approval of the shareholders for the continuation of Smt. Birla as Non-Executive Director of the Company liable to retire by rotation. The continuation of Smt. Birla as the Non-Executive Director will be of immense benefit for the company taking into account her vast and rich experience and deep business acumen. Proposal for the continuation of Smt. Birla as Non-Executive Director of the Company liable to retire by rotation is included in the Notice convening the 78th Annual General Meeting of the Company along with Explanatory Statement as required under Section 102 of the Companies Act, 2013 ("the Act").

PERFORMANCE EVALUATION

The Nomination, Remuneration and Compensation Policy of the Company empowers the Nomination and Remuneration Committee to formulate a process for evaluating the performance of Individual Directors, Committees of the Board and the Board as a whole.

The Nomination and Remuneration Committee of the Company accordingly evaluated the performance of all the individual Directors on various parameters such as level of participation of the Directors, preparing themselves well in advance to take active participation at the meeting(s), level of knowledge and expertise etc.

The Independent Directors of the Company also had a separate meeting on 5th February, 2025 to review the performance and evaluation of Non- Independent Directors and the Board as a whole.

The Board after taking into consideration the evaluation as done by the Nomination and Remuneration Committee and by the Independent Directors, carried out an annual evaluation of its own performance and that of its Committees and individual Directors. The overall outcome of such evaluation is that the Board, its Committees and all individual Directors have performed effectively and satisfactorily.

DECLARATION BY INDEPENDENT DIRECTORS

Your Company has received declarations from all the Independent Directors confirming that they meet the criteria of independence as prescribed under the provisions of the Companies Act, 2013 read with the Schedules and Rules issued thereunder, as well as clause (b) of sub-regulation (1) of Regulation 16 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") (including any statutory modification(s) or re-enactment(s) thereof for the time being in force). In terms of Regulation 25(8) of the Listing Regulations, the Independent Directors have confirmed that they are not aware of any circumstance or situation, which exists or

Boards' Report (Contd.)

may be reasonably anticipated, that could impair or impact their ability to discharge their duties with an objective independent judgment and without any external influence.

CODE OF CONDUCT

All the Board Members and Key Management Personnel of the Company have affirmed compliance with the Code of Conduct applicable to the Board Members and Employees of the Company for the year 2024-25 and a declaration in this regard has been made by the Chief Executive Officer which forms a part of this Report as an Annexure.

Boards' Report (Contd.)

Annexure- A

NOMINATION, REMUNERATION AND COMPENSATION POLICY

M/s. Pilani Investment and Industries Corporation Limited ('the Company') is a registered NBFC-ND-SI carrying on the business of financing and investment activities by way of advancing Inter Corporate Deposits and acquisition of shares and securities of its group companies.

The Board of Directors (the "Board") of Pilani Investment and Industries Corporation Limited (the "Company") for the purpose of adhering and aligning with the '**Compensation Guidelines**' (which required NBFCs to put in place a Board approved compensation policy) as per the RBI circular dated April 29, 2022, has adopted this policy which shall come into effect on and from 10th February, 2023.

1. PREAMBLE:

The Nomination, Remuneration and Compensation Policy ("Policy") of Pilani Investment and Industries Corporation Limited (the "Company") is formulated under the requirements of applicable laws, including the Companies Act, 2013, the RBI Compensation Guidelines and the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 as amended from time to time.

The Policy is intended to set out criteria to pay equitable remuneration to the Directors, Key Managerial Personnels (KMPs) and Senior Management Personnel (SMPs) and other employees of the Company and to harmonise the aspirations of human resources with the goals of the Company.

2. DEFINITIONS:

"Board" means Board of Directors of Pilani Investment and Industries Corporation Limited.

"Company" means Pilani Investment and Industries Corporation Limited.

"Policy" means the Nomination, Remuneration and Compensation Policy.

"Act" means the Companies Act, 2013.

"Guidelines" means Compensation Guidelines as per of the RBI circular dated April 29, 2022.

"RBI" means the Reserve Bank of India.

"SEBI" means the Securities and Exchange Board of India.

"Committee" means the Nomination and Remuneration Committee.

"LODR Regulation" means SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

"KMPs" means the Key Managerial Personnel.

"SMPs" means the Senior Management Personnel.

3. OBJECTIVES:

In line with the requirements of the Act, the Compensation Guidelines and the SEBI LODR Regulations, 2015, the objectives and purpose of the Policy are as follows:

- To guide the Board in appointment and removal of Directors, KMPs and SMPs.
- To address issues arising out of excessive risk taking caused by misaligned compensation packages
- To ensure that there is no conflict of interest and the relationship of remuneration to performance is clear and meets appropriate benchmarks.

Boards' Report (Contd.)

- To frame, review and implement of compensation policy of the company which should have the approval of the board.
- To frame principles for determining the ratio of fixed/ variable pay in the total compensation of the KMPs and SMPs which shall be in accordance with the Companies Act, 2013 and the Rules made thereunder, the Compensation Guidelines.
- To ensure interlinkage between this policy and the Succession Plan of the Company.
- To attract, retain and motivate the Board, KMPs and SMPs by providing reasonable incentives to performance, etc. and ensuring that the level and composition of remuneration is reasonable and sufficient to run the Company efficiently and successfully.
- To evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation.
- To recommend to the Board on Remuneration payable to the Directors, KMPs and SMPs.

4. APPLICABILITY:

The Policy shall be applicable to the following personnel:

- a. All the Directors of the Company.
- b. Key Managerial Personnel, which means:
 - i. Managing Director/ Whole time Director/ Manager
 - ii. Chief Executive Officer
 - iii. Company Secretary
 - iv. Chief Financial Officer.
- c. Senior Management Personnel means all the members of the management one level below the executive Directors which include the Head of Departments, other chief functional heads/ officers and such other person as may be prescribed.

5. ROLE OF THE NOMINATION AND REMUNERATION COMMITTEE:

- (i) Formulate the criteria for determining qualifications, positive attributes and independence of a director.
- (ii) Recommend to the Board a policy relating to the remuneration of the Director and Key Managerial Personnel or other prescribed employees (Senior Management).
- (iii) To carry out evaluation of every Director's performance. The Company has a separate Board Performance Evaluation Policy.
- (iv) Devising a policy on Board diversity. The Company have separate Policy on Board Diversity.
- (v) Recommend to the Board, appointment and removal of Director, Key Managerial Personnel and other Senior Management personnel.
- (vi) Any other matter as the Board may decide from time to time.

Further the present NRC shall continue to be the NRC for the purpose of Compensation Guidelines.

The Committee should ensure that the proportion of variable pay in total compensation needs to be commensurate with the role and prudent risk-taking profile of KMPs/ SMPs. At higher levels of responsibility, the proportion of variable pay needs to be higher.

Boards' Report (Contd.)

6. DUTIES OF THE COMMITTEE:

The duty of the Committee covers the matters relating to nomination, remuneration and compensation of the Directors, Key Managerial Personnel, Senior Management personnel and other prescribed employees of the Company.

(A) **Nomination matters include:**

- (i) Ensuring that there is an appropriate induction & training programme in place for new Directors, Key Managerial Personnel, Senior Management Personnel and reviewing its effectiveness;
- (ii) Ensuring that on appointment to the Board, Non-Executive Directors receive a formal letter of appointment as per the provisions of the Act;
- (iii) Determining the appropriate size, diversity and composition of the Board as per the provisions of the Act.
- (iv) Setting a formal and transparent procedure for selecting new Directors for appointment to the Board;
- (v) Evaluating the performance of the Board members, Key Managerial Personnel and Senior Management Personnel in the context of the Company's performance from business and compliance perspective;
- (vi) Delegating any of its powers to one or more of its members or the Secretary of the Committee;
- (vii) Recommend any necessary changes to the Board.
- (viii) Considering any other matters as may be requested by the Board.

Criteria's for appointment of Directors, Key Managerial Personnel and Senior Management Personnel

❖ **Directors**

Boards' Report (Contd.)

the Company on the basis of their academic, professional qualifications, relevant work experience, skill and other capabilities suitable to the position.

Further, of the appointment or removal of the aforesaid persons/Key Management Personnel/Senior Management Personnel shall be made by the by the Board based on the recommendations of the Committee in accordance with the provisions of the Act, the Listing Regulations and applicable RBI Regulations for the time being in force.

(B) Remuneration matters includes:

- (i) Consideration and determination of the Remuneration based on the principles of (a) pay for responsibilities; (b) pay for performance and potential; and (c) pay for growth to ensure that the remuneration fixed is reasonable and sufficient to attract, retain and motivate the members.
- (ii) Taking into account financial position of the Company, trend in the Industry, appointee's qualification, experience, past performance and past remuneration, etc. while determining/fixing the proposed remuneration package.
- (iii) Bringing about objectivity in determining the remuneration package while striking a balance between the interests of the Company and the Stakeholders.
- (iv) Other factors as the Committee may deem fit and appropriate for consideration of different elements of the remuneration and ensure compliance of provisions of the Act and other applicable laws.
- (v) Consideration any other matters as may be requested by the Board.

Criteria's for remuneration of Directors, Key Managerial Personnel and Senior Management Personnel:

❖ **Remuneration to Non - Executive Directors including Independent Directors**

The Non - Executive Directors including Independent Directors of the Company may be paid sitting fees for attending the Meetings of the Board of Directors or its Committees thereof, as may be determined by the Board from time to time, within the limit prescribed under the Act.

Besides the sitting fees, the Non - Executive Directors including Independent Directors shall also be entitled to reimbursement of expenses as may be incurred by the them while performing their role as a Director of the Company.

❖ **Remuneration to Executive Directors**

The remuneration to be paid to Executive Directors including the Managing Director and/or the Whole -Time Director shall be governed by the applicable provisions of the Act, the Listing Regulations and applicable RBI Regulations. The remuneration including annual increments shall be recommended by the Nomination and Remuneration Committee and approved by the Board and the Shareholders of the Company, as may be required under the provisions of the Act, the Listing Regulations and applicable RBI Regulations.

The Executive Directors may also be paid commission in accordance with the provisions of the Act and the Listing Regulations and applicable RBI Regulations, if authorised by the Shareholders of the Company. The Commission payable shall be determined by the Board of Directors of the Company from time to time based on the recommendations of the Nomination and Remuneration Committee.

The Executive Directors shall not/ be paid any fees for attending the Meetings of the Board and the Committees thereof.

Boards' Report (Contd.)

❖ Remuneration to Key Management Personnel and Senior Management Personnel

The remuneration to be paid to Key Management Personnel and Senior Management Personnel shall be recommended by the Nomination and Remuneration Committee and approved by the Board. Any increments to the remuneration shall also be recommended by the said Committee and approved by the Board.

7. COMPENSATION OF THE KMPs AND SMPs:

The principles for determining the proportion of fixed and variable compensation of the KMPs and the SMPs shall be in accordance with the Compensation Guidelines.

The proportion of variable pay in total compensation needs to be commensurate with the role and prudent risk-taking profile of KMPs/ SMPs. At higher levels of responsibility, the proportion of variable pay needs to be higher. The variable pay should be truly and effectively variable and can be reduced to zero based on performance. In order to do so, performance measures and their relation to remuneration packages should be clearly defined at the beginning of the performance measurement period to ensure that the employees perceive the incentive mechanism. Further, guaranteed bonus which is not linked to performance of the employee may not be paid to KMPs and SMPs and not form part of the compensation package. However, in the context of new hiring joining/sign-on bonus could be considered which will neither be part of fixed pay nor of variable pay.

8. MALUS / CLAWBACK CLAUSE:

The deferred compensation may be subject to malus/clawback clause which may be invoked on the occurrence of specific set of situations/ circumstances/ events which are as follows:

- In the event of negative financial performance of the company.
- In the event of misconduct of the employee.
- The Nomination and Remuneration Committee should identify time periods during which such deferral may be invoked.

9. MINUTES OF THE COMMITTEE MEETINGS:

Proceedings of all meetings of the Committee must be entered in the Minutes Book maintained for the purpose and signed by the Chairman of the said meeting or the Chairman of the next succeeding meeting. Minutes of the Committee meeting will be tabled at the subsequent Board and the Committee meetings for approval/ confirmation and/or record purposes.

10. AMENDMENTS:

In case of any doubt with regard to any provision of the policy and also in respect of matters not covered herein, a reference shall be made to the Nomination and Remuneration Committee. In all such matters, the interpretation & decision of the Committee shall be final. Any or all provisions of the Nomination and Remuneration Policy would be subject to revision/amendment in accordance with the guidelines on the subject as may be issued by the Government and/or the Regulatory Authority, from time to time. The Nomination and Remuneration Committee shall have a right to modify, add, or amend any of the provisions of this Policy with the approval of the Board. The Remuneration policy will be incorporated in the Annual Report of the Company.

11. REVIEW OF THE POLICY:

The Nomination & Remuneration Committee shall periodically review the Policy and incorporate appropriate changes, as deemed necessary subject to the approval of Board.

Boards' Report (Contd.)

Annexure B

CORPORATE SOCIAL RESPONSIBILITY POLICY

1. Preamble

Corporate responsibility towards the stakeholders is fast emerging as one of the major considerations for businesses in the country. Organisations are gradually shifting their attention towards a wider view of social concerns while conducting their businesses. Corporate Social Responsibility (CSR) aims at connecting business to the society. CSR is traditionally driven by a moral obligation and philanthropic spirit. Over time it has become an integral part of business. The broader objective of CSR is to contribute with a responsibility, towards a better society and a cleaner environment.

2. Objectives

The main objective of the Policy is to establish the basic principles and the general framework of action for the management to undertake and fulfil its corporate social responsibility.

3. Activities and Implementation

a. Areas for Activities

The Company shall identify projects / activities which will fall in any one or more of the following areas / sector for its CSR spending:

1. Eradicating hunger, poverty and malnutrition, promoting health care including preventive health care and sanitation including contribution to the Swach Bharat Kosh set-up by the Central Government for the promotion of sanitation] and making available safe drinking water;
2. promoting education, including special education and employment enhancing vocation skills especially among children, women, elderly and the differently abled and livelihood enhancement projects;
3. promoting gender equality, empowering women, setting up homes and hostels for women and orphans; setting up old age homes, day care centres and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups.
4. ensuring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agroforestry, conservation of natural resources and maintaining quality of soil, air and water including contribution to the Clean Ganga Fund set-up by the Central Government for rejuvenation of river Ganga;
5. protection of national heritage, art and culture including restoration of buildings and sites of historical importance and works of art; setting up public libraries; promotion and development of traditional art and handicrafts;
6. contribution to the prime minister's national relief fund or Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM CARES Fund)] or any other fund set up by the central govt. for socio economic development and relief and welfare of the schedule caste, tribes, other backward classes, minorities and women;
7. Rural development projects; and
8. The CSR Committee may include such other activities which are specified in Schedule VII of the Companies Act, 2013 and amendments thereto from time to time.

The CSR projects or programs or activities undertaken by the company as per Company's CSR Policy in India only shall amount to CSR Expenditure in accordance with the provisions of sub-section (5) of section 135 of the Act.

Boards' Report (Contd.)

All expenses and contributions for CSR activities will be made after approval from the Board of Directors of the Company upon the recommendations of the CSR Committee, which would then be placed before the forthcoming CSR committee for noting and record. The Chairman of the CSR Committee will ensure that the expenses/contribution and donation will be in full compliance of the CSR Policy.

b. **Implementing Agency**

The company may decide to undertake its CSR activities directly or through an Implementing Agency/ Registered Trust or a registered society or a company established by the company under section 8 of the Act. Provided that –

If such trust, society or company is not established by the company or its holding or subsidiary or associate company, it shall have an established track record of three years in undertaking similar programs or projects;

The Company shall specify the project or programs to be undertaken through these entities, modalities of utilization of funds on such projects and programmes.

4. **Resources**

The corpus for the purpose of carrying on the aforesaid activities would include the followings:

- ❖ 2% of the average Net Profit made by the Company during immediately preceding three Financial Years.
- ❖ any income arising there from.
- ❖ surplus arising out of CSR activities carried out by the company and such surplus will not be part of business profit of the company.

5. **Annual Action Plan:**

The CSR Committee shall formulate and recommend to the Board, an annual action plan which shall include the following, namely:-

- (a) the list of CSR projects or programmes that are approved to be undertaken in areas or subjects specified in Schedule VII of the Act;
- (b) the manner of execution of such projects or programmes ;
- (c) the modalities of utilisation of funds and implementation schedules for the projects or programmes;
- (d) monitoring and reporting mechanism for the projects or programmes; and
- (e) details of need and impact assessment, if any, for the projects undertaken by the company;

However, the Board may alter such plan at any time during the financial year, as per the recommendation of CSR Committee, based on the reasonable justification to that effect.

6. **Monitoring**

The Corporate Social Responsibility Committee will provide a progress report to the Board of Directors as and when required.

The Board shall seek a short progress report from the CSR Committee on an yearly basis.

7. **General**

In case of any doubt with regard to any provision of the policy and also in respect of matters not covered herein, a reference to be made to CSR Committee. In all such matters, the interpretation & decision of the Committee shall be final.

Any or all provisions of the CSR Policy would be subject to revision/amendment in accordance with the guidelines on the subject as may be issued from Government, from time to time.

The CSR Committee reserves the right to modify, add, or amend any of provisions of this Policy subject to approval of the Board.

Boards' Report (Contd.)

Annexure C

 - Amount spent on Impact Assessment, if applicable: Nil
 - Total amount spent for the Financial Year (a+b+c): ₹ 254.14 Lakhs

Boards' Report (Contd.)

(e) CSR amount spent or unspent for the financial year:

Total Amount Spent for the Financial Year (₹ in Lakhs)	Amount Unspent (₹ in Lakhs)				
	Total Amount transferred to Unspent CSR Account as per section 135(6)		Amount transferred to any fund specified under Schedule VII as per second proviso to section 135(5)		
	Amount	Date of transfer	Name of the Fund	Amount	Date of transfer
254.14	49.28	28.04.2025	NA	Nil	NA

(f) Excess amount for set-off, if any: Nil

7. Details of Unspent CSR amount for the preceding three financial years:

Sl. No.	Preceding Financial Year	Amount transferred to Unspent CSR Account under section 135 (6) (₹ in Lakhs)	Amount spent in the reporting Financial Year (₹ in Lakhs)	Amount transferred to any fund specified under Schedule VII as per section 135(6), if any			Amount remaining to be spent in succeeding financial years (₹ in Lakhs)
				Name of the Fund	Amount (₹ in Lakhs)	Date of transfer	
1.	2022-23	12.26	12.26 (2023-24)		-		NIL
2.	2023-24	15.54	15.54 (2024-25)		-		NIL

8. Whether any capital assets have been created or acquired through Corporate Social Responsibility amount spent in the financial year: No
9. Specify the reason(s), if the company has failed to spend two per cent of the average net profit as per sub section 5 of Section 135 –

In terms of provisions of Section 135 of the Companies Act, 2013, the Company has been spending money on various CSR activities through various implementing agencies. During the year, the Company was able to make disbursements for the CSR expenditure only to the tune of ₹ 254.14 Lakhs till 31st March, 2025 against its obligations of ₹ 303.42 Lakhs and thereby there remained an unspent amount of ₹ 49.28 Lakhs which in terms of Section 135(6) of the said Act has been subsequently transferred to the designated bank account i.e Unspent Corporate Social Responsibility Account. The said shortfall occurred as certain pre-disbursal formalities were pending at the implementing agency's end, in respect of the ongoing programme/project. However, the shortfall was duly provided for as a liability in the financial statements for the financial year 2024-25 by a corresponding charge to the Statement of Profit and Loss, as during the said year the Company had undertaken a binding commitment to the said implementing agency.

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2025

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
 The Members,
Pilani Investment and Industries Corporation Limited
 Birla Building, 9/1, R. N. Mukherjee Road,
 Kolkata – 700001

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Pilani Investment and Industries Corporation Limited** (hereinafter called “**The Company**”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2025 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - e. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - f. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008.
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company during the period under review:-
 - a. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
 - b. The Securities and Exchange Board of India (Share Based Employee benefits and Sweat Equity) Regulations, 2021;
 - c. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021.
- vi. RBI – Prudential norms / forms for NBFC – NDSI and the rules made thereunder.

Boards' Report (Contd.)

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.

We further report that, based on the information provided and the representation made by the Company and also on the review of the compliance reports of Company Secretary/ Chief Executive Officer taken on record by the Board of Directors of the Company, in our opinion, adequate systems and processes exist in the Company to monitor and ensure compliance with provisions of applicable general laws like Employees' Provident Funds and Miscellaneous Provisions Act, 1952, The West Bengal State Tax on Professions, Trades, Callings and Employments Act, 1979 and other laws.

We further report that

The compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same have been subject to review by statutory financial audit and other designated professionals.

The Board of Directors of the Company is duly constituted. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notices are given to all the directors for the Board and Committee Meetings. Agenda and Notes on Agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that:

- i. The Company's application to Reserve Bank of India ("RBI") for conversion from Non- Banking Financial Company to Core Investment Company has since been processed by RBI and as directed by RBI vide its letter dated May 21, 2025, the Company has surrendered the original Certificate of Registration issued by RBI as a NBFC-ICC and the Company is awaiting receipt of the fresh Certificate of Registration as a Core Investment Company

It is stated that the compliance of all the applicable provisions of the Companies Act, 2013 and other laws is the responsibility of the management. We have relied on the representation made by the company and its officers for systems and mechanism set-up by the company for compliance under applicable laws. Our examination, on a test-check basis, was limited to procedures followed by the Company for ensuring the compliance with the said provisions. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted its affairs. We further state that this is neither an audit nor an expression of opinion on the financial activities / statements of the Company. Moreover, we have not covered any matter related to any other law which may be applicable to the Company except the aforementioned corporate laws of the Union of India.

Monetary					
	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Amount (In INR)	Brief of the Case	Has an appeal been preferred? (Yes/No)
Penalty/ Fine		Nil			
Settlement					
Compounding fee					
Non-Monetary					
	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Brief of the Case	Has an appeal been preferred? (Yes/No)	
Imprisonment		NIL			
Punishment					

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT (Contd.)

3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or non-monetary action has been appealed.

Case Details	Name of the regulatory/enforcement agencies/ judicial institutions
	Not Applicable

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the policy.

Yes, the Company has anti-corruption and anti-bribery policy and the same is available at www.pilaniinvestment.com.

5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/ corruption:

No such action taken during the financial year 2024-25 and 2023-24.

6. Details of complaints with regard to conflict of interest:

	FY 2024-25 (Current Financial Year)		FY 2023-24 (Previous Financial Year)	
	Number	Remarks	Number	Remarks
Number of complaints received in relation to issues of Conflict of Interest of the Directors	0	Not applicable	0	Not applicable
Number of complaints received in relation to issues of Conflict of Interest of the KMPs	0	Not applicable	0	Not applicable

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest.

Not Applicable

8. Number of days of accounts payable ((Accounts payable*365)/Cost of goods/services procured) in the following format:

	FY 2024-25 (Current Financial Year)	FY 2023-24 (Previous Financial Year)
Number of days of accounts payable	Not Applicable	Not Applicable

Note : The Company being engaged in investment and financing activities does not have any cost of goods/service.

9. Open-ness of business

Parameter	Metrics	FY 2024-25 (Current Financial Year)	FY 2023-24 (Previous Financial Year)
Concentration of Purchases	a. Purchases from trading houses as % of total purchases	Not Applicable	
	b. Number of Trading houses where purchases are made from		
	c. Purchases from top 10 trading houses as % of total purchases from trading houses		

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT (Contd.)

Parameter	Metrics	FY 2024-25 (Current Financial Year)	FY 2023-24 (Previous Financial Year)
Concentration of Sales	a. Sales to dealers/ distributors as % of total sales	Not Applicable	
	b. Number of dealers/distributors to whom sales are made		
	c. Sales to top 10 dealers/distributors as % of total sales to dealers/distributors		
Share of RPTs in	a. Purchases (Purchases with related parties/ total purchases)	Not Applicable	
	b. Sales (Sales to related parties/total sales)		
	c. Loans and advances (Loans and advances given to related parties/total loans and advances)		
	d. Investments (Investments in related parties / total investments)	100%	100%

PRINCIPLE 2**Businesses should provide goods and services in a manner that is sustainable and safe**

The Company being engaged in investment and financing activities, the Company is not involved in any manufacturing activity or services under the purview of BRSR and hence not applicable.

Essential Indicators

- Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.**

	FY 2024-25 Current Financial Year	FY 2023-24 (Previous Financial Year)	Details of improvements in environmental and social impacts
R & D	Not Applicable		
Capex			

- Does the entity have procedures in place for sustainable sourcing? (Yes/No)**
Not applicable.
 - If yes, what percentage of inputs were sourced sustainably?**
Not applicable.
- Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.**
Not applicable. The Company is engaged only in investment and financing activities and does not have any goods, raw materials and hazardous waste utilisation as a part of its products and services.

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT (Contd.)

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Not applicable

PRINCIPLE 3

Businesses should respect and promote the well-being of all employees, including those in their value chains

The capability of the Company's talent pool is surmised on a work culture that nurtures quality talent and promotes a causative work environment combining the need to focus on performance and results with a caring and compassionate work ethics.

Essential Indicators

1. a. Details of measures for the well-being of employees :

Category	% of employees covered by										
	Total (A)	Health Insurance		Accident Insurance		Maternity Benefits		Paternity benefits		Day Care facilities	
		Number (B)	% (B/A)	Number (B)	% (B/A)	Number (B)	% (B/A)	Number (B)	% (B/A)	Number (B)	% (B/A)
Permanent employees											
Male	10	10	100	-	-	-	-	-	-	-	-
Female	4	4	100	-	-	-	-	-	-	-	-
Total	14	14	100	-	-	-	-	-	-	-	-
Other than Permanent employees											
Male	7	-	-	-	-	-	-	-	-	-	-
Female	-	-	-	-	-	-	-	-	-	-	-
Total	7	-	-	-	-	-	-	-	-	-	-

- b. Details of measures for the well-being of workers: The Company does not have any Worker.
- c. Spending on measures towards well- being of employees and workers (including permanent and other permanent) in the following format-

	FY 2024-25 (Current Financial Year)	FY 2023-24 (Previous Financial Year)
Cost incurred on well-being measures as a% of total revenue of the company	0.01%	0%

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT (Contd.)

2. Details of retirement benefits, for Current Financial Year and Previous Financial Year.

Benefits	FY 2024-25 (Current Financial Year)			FY 2023-24 (Previous Financial Year)		
	No. of employees covered as a % of total employees	No. of workers covered as a % of total workers	Deducted and deposited with the authority (Y/N/N.A.)	No. of employees covered as a % of total employees	No. of workers covered as a % of total workers	Deducted and deposited with the authority (Y/N/N.A.)
PF	100	N.A	Y	100	N.A	Y
Gratuity	100	N.A	Y	100	N.A	Y
ESI	N.A					
Others- please Specify	-	-	-	-	-	-

3. Accessibility of workplaces

Are the premises / offices of the entity accessible to differently abled employees, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

Yes, the office is accessible to differently abled employees.

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy.

Not Applicable, as the Company does not have any person with disability. However, it is committed towards the empowerment of persons with disabilities.

5. Return to work and Retention rates of permanent employees and workers that took parental leave.

Gender	Permanent employees		Permanent Workers	
	Return to work rate	Retention rate	Return to work rate	Retention rate
Male	No such instances reported		Not Applicable	
Female				
Total				

6. Is there a mechanism available to receive and redress grievances for the following categories of employees and worker? If yes, give details of the mechanism in brief.

	Yes/No (If Yes, then give details of the mechanism in brief)
Permanent Workers	The Company does not have any Workers
Other than permanent Workers	

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT (Contd.)

	Yes/No (If Yes, then give details of the mechanism in brief)
Permanent Employees	Yes. The Company strives to create a culture which is fair, open and transparent and where employees can openly present their views. The Company enables employees to work without fear, gender discrimination and harassment. Given the nature of business, the same is not applicable.

c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks. (Y/N)

Not applicable.

d. Do the employees of the entity have access to non-occupational medical and healthcare services? (Yes/ No)

Yes

11. Details of safety related incidents, in the following format:

Safety Incident/Number	Category	FY 2024-25 (Current Financial Year)	FY 2023-24 (Previous Financial Year)
Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked)	Employees	-	-
	Workers	Not Applicable-	
Total recordable work-related injuries	Employees	-	-
	Workers	Not Applicable	
No. of fatalities	Employees	-	-
	Workers	Not Applicable	
High consequence work-related injury or ill-health (excluding fatalities)	Employees	-	-
	Workers	Not Applicable	

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT (Contd.)

12. Describe the measures taken by the entity to ensure a safe and healthy work place.

Please refer 10 (a) above.

13. Number of Complaints on the following made by employees and workers:

Category	FY 2024-25 (Current Financial Year)			FY 2023-24 (Previous Financial Year)		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Working Conditions	NIL					
Health & Safety						

14. Assessment for the year

	% of your offices that were assessed (by entity or statutory authorities or third parties)
Health and safety practices	100
Working Conditions	100

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions.

No corrective actions pertaining to above mentioned parameters was necessitated during the year under review.

PRINCIPLE 4

Businesses should respect the interests of and be responsive to all its stakeholders

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity.

The Company provides an equal opportunity and ensures that its practices are based on merit, irrespective of the person's ethnic background or gender. In additions, the Company practices affirmative actions and ensures that there is no discrimination of any type against socially disadvantaged sections or vulnerable and marginalised persons.

Individual or group concerned or interested with or impacted by the activities of the businesses and vice-versa or adds value to the business chain, now or in the future are identified as key stakeholder by the Company. Based on this the key stakeholders identified by the Company are its investors, lenders, government, shareholders, regulators, employees and the society.

The Company understands the impact of its decisions and associated operations on the stakeholders. The Company periodically engages with various stakeholders and strives to resolve differences, if any, with them in a just, fair, equitable and consistent manner and if warranted takes corrective measures.

The Company also engages with relevant stakeholders for enhancing the sustainable and responsible business practices, as and when required.

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT (Contd.)

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.

Stakeholder Group	Whether identified as vulnerable & marginalised group (Yes/No)	Channels of communication (E-mail, SMS, Newspaper, Pamphlets, Advertisement, Community Meetings, Notice Board, Website) Other	Frequency of engagement (Annually/ Half yearly/ Quarterly/ others- please specify)	Purpose and scope of engagement including key topics and concerns raised during such engagements

Employees	No	Multiple channels – physical and digital	Daily	To create a thriving, safe and inclusive workplace for its employees and providing merit-based opportunities for professional development and growth.

Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

The Company considered necessary and if permitted by regulations, ensures transparent communication and access to relevant information about its decisions that impact relevant stakeholders, keeping in mind the need to protect confidential competitive plans and information.

Engagement with stakeholders is a continuous process, if so required. Such engagement is generally driven by the responsible business functions, with senior executives also participating based on the need of the engagement. The Board of Directors are updated on various developments (if any) arising out of such engagement and they provide their guidance / inputs on such matters.

2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Continuous engagement with stakeholders helps in aligning expectations, thereby enabling the Company to better serve its stakeholders.

The Company personnel as and when required or is needed interact with various stakeholders to understand their impact and expectations from the Company. Based on such interactions, the Company has enhanced its reporting on business responsibility.

3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/ marginalized stakeholder groups.

Kindly refer to Annual Report on CSR activities as contained in the Annual Report 2024-25.

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT (Contd.)

PRINCIPLE 5

Businesses should respect and promote human rights

Essential Indicators

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity, in the following format:

Category	FY 2024-25 (Current Financial Year)			FY 2023-24 (Previous Financial Year)		
	Total (A)	No. employees covered (B)	% (B/A)	Total (C)	No. employees covered (D)	% (D/C)
Employees						
Permanent	14	14	100	8	8	100

11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 10 above.

Not Applicable

Leadership Indicators

1. Details of a business process being modified / introduced as a result of addressing human rights grievances/complaints.

There have been no human rights grievances / complaints warranting modification / introduction of business processes.

2. Details of the scope and coverage of any Human rights due diligence conducted.

Not Applicable

3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

Yes

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT (Contd.)

4. Details of assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Sexual Harassment	Not applicable
Discrimination at workplace	
Child Labour	
Forced Labour/ Involuntary Labour	
Wages	
Others – please specify	

5. Provide details of any corrective actions taken or underway to address significant risks concerns arising from the assessments at Question 4 above:

Not applicable

PRINCIPLE 6

Businesses should respect and make efforts to protect and restore the environment

The Company is committed to manage its business in a manner that preserves the environment. As the Company is engaged in the investment and financing activities, it does not have adverse impact to the environment but it commits to ensure to reduce wastage of electricity, office stationeries, water etc. The Company encourages the use of electronic methods of communication. The Company strives to promote culture of virtual meetings to reduce travel, eventually leading to reduction in its carbon footprint. The Company ensures utilization of natural and manmade resources in an optimal and responsible manner.

Essential Indicators

1. Details of total energy consumption (in Gigajoules) in the following format:

Parameters	FY 2025	FY 2024
From renewable sources		
Total electricity consumption (A)	Refer Note below	Refer Note below
Total fuel consumption (B)*	Nil	Nil
Energy consumption through other sources (C)	Nil	Nil
Total energy consumption (A+B+C)	Refer Note below	Refer Note below
From non-renewable sources		
Total electricity consumption(D)	Nil	Nil
Total fuel consumption (E)	Nil	Nil
Energy consumption through other sources (F)	Nil	Nil
Total Energy consumed from non-renewable sources (D+E+F)	Nil	Nil
Total energy consumed (A+B+C+D+E+F)	Nil	Nil

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT (Contd.)

Parameters	FY 2025	FY 2024
Energy intensity per rupee of turnover (Total energy consumed/revenue from operations)	Not applicable	Not applicable
Energy intensity per rupee of turnover adjusted for purchasing power parity (PPP) (Total energy consumed/revenue from operations adjusted for PPP)	Not applicable	Not applicable
Energy intensity in terms of physical output	Not applicable	Not applicable
Energy intensity (optional)- the relevant metric may be selected by the entity	Not applicable	Not applicable

*Note: Considering that the Company is only a part of office premises in a building, the disclosure pertaining to total electricity consumption is not quantifiable.

2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N).

Not Applicable.

3. Provide details of the following disclosures related to water withdrawal/discharged:

Considering that the Company is only a part of office premises in a building, the disclosure relating to 'water withdrawal/discharged' is not quantifiable.

However, the Company's usage of water is restricted to employees' consumption purposes only.

4. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

No.

5. Please provide details of air emissions (other than GHG emissions) by the entity:

Not applicable considering the nature of business of the Company.

6. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) and its intensity:

Considering the nature of business of the Company, the same is not applicable.

7. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

Not applicable considering the nature of business of the Company.

8. Provide details related to waste management by the entity:

Not applicable considering the nature of business of the Company.

9. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

Not applicable considering the nature of business of the Company.

10. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details:

Not applicable considering the nature of business of the Company.

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT (Contd.)

- Percentage of data breaches involving personally identifiable information of customers: Not applicable
- Impact, if any, of the data breaches – Not applicable

MANAGEMENT DISCUSSION AND ANALYSIS

Annexure- G

This Management Discussion and Analysis Report is framed in compliance with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

1. Industry Structure and Developments

Non-Banking Financial Companies (NBFCs) bring in diversity and efficiency to the financial sector. In the recent past, NBFCs have played increasingly important role in resource mobilisation and credit intermediation, thereby helping commercial sector to make up for low bank credit growth. The Reserve Bank and the Government have taken several measures to address various challenges by enhancing systemic liquidity and strengthening the governance and risk management framework of NBFCs.

During the financial year 2024-25 the Indian economy showed remarkable resilience and growth, amidst a challenging global landscape. The year witnessed a real GDP growth estimated at 6.4% by the National Statistical Office as compared to growth rate of 7.6% during 2023-24.

2. Opportunities and threats

India is emerging as the fastest growing major economy in the world. Despite various geopolitical tensions worldwide, the economic growth of India was ensured by the government through various financial stimulus packages and the focus on infrastructural development.

Your Company holds significant investments in Equity Shares of various diversified companies like Aditya Birla Real Estate Limited (formerly Century Textiles and Industries Limited, Grasim Industries Limited, Hindalco Industries Limited, UltraTech Cement Limited, Vodafone Idea Limited, Aditya Birla Fashion and Retail Limited, Kesoram Industries Limited etc. Therefore, the business prospects of the Company largely depend on the business prospects and performance of its investee companies. As a long-term strategy, the Company is looking forward for a sustainable growth in its investee companies in the coming years which would enhance the shareholder's value.

3. Segment-wise or product-wise performance

The main business of the Company is investment and financing activity and all these activities are carried out within India. As such there are no separate reportable segments or product wise performance reports applicable to the Company.

4. Outlook

The Company has submitted an application with Reserve Bank of India for conversion of the Company from Non-Banking Financial Company to Core Investment Company. The Company's application to Reserve Bank of India ("RBI") for conversion from Non-Banking Financial Company to Core Investment Company has since been processed by RBI and as directed by RBI vide its letter dated May 21, 2025, the Company has surrendered the original Certificate of Registration issued by RBI as a NBFC-ICC and the Company is awaiting receipt of the fresh Certificate of Registration as a Core Investment Company.

The Company continues to hold significant strategic investments in various diversified and renowned companies as stated above. The Company will continue to focus on making long-term strategic investments besides consolidating existing investments through further investments in the Group Companies. Besides, the Company is also expanding its horizon by entering into the field of financing activities.

5. Risks and concerns

Being an Investment and Finance Company, the risk of the Company is basically attached to the performance of investee companies which are engaged in diversified fields. The Company has robust risk management and monitoring systems in place to minimise the impact of such risks.

6. Internal Control Systems and their Adequacy

The Company believes that a strong internal control framework is an important pillar of Corporate Governance. The Company has in place adequate internal financial control system which ensure orderly and efficient conduct of its business, safeguarding of its assets and accuracy and completeness of accounting records, timely preparation of reliable financial information and various regulatory and statutory compliances.

MANAGEMENT DISCUSSION AND ANALYSIS (Contd.)

7. Discussion on financial performance with respect to operational performance

The following review are intended to convey Management's perspective on the financial and operating performance of the Company during the Financial Year 2024-25. This Report should be read in conjunction with the Company's financial statements and other information included in this Annual Report.

The Company has recorded very satisfactory performance during the Financial Year 2024-25 on Standalone basis. Below is a brief quantitative overview of the financial and operational performance of your Company during the reporting period.

A. Standalone Results:

The Company has recorded a satisfactory performance during the year under review. The Company has received during the year, Income by way of Dividend to the tune of ₹7,921.33 Lakhs, Interest of ₹23,584.91 Lakhs, Profit from sale of Investments of ₹157.77 Lakhs, and Rental Income of ₹119.81 Lakhs. The total income is ₹32,320.04 Lakhs as against total income of ₹30,321.13 Lakhs in the previous year. The Profit before depreciation and tax is ₹22,192.97 Lakhs. After providing for depreciation of ₹22.42 Lakhs and tax of ₹5,229.94 Lakhs, the Net Profit is ₹16,940.61 Lakhs as against ₹16,707.05 Lakhs in the previous year, increase of around 1.40 %.

B. Consolidated Results:

On the consolidated front, the Company has received during the year, Income by way of Dividend to the tune of ₹6,169.55 Lakhs, Interest of ₹23,604.34 Lakhs, Profit from sale of Investments of ₹169.09 Lakhs, and Rental Income of ₹126.83 Lakhs. The total income is ₹30,707.39 Lakhs as against total income of ₹28,630.95 Lakhs in the previous year. The Consolidated Profit before depreciation and tax is ₹20,472.11 Lakhs. After providing for depreciation of ₹22.95 Lakhs and tax of ₹5,261.46 Lakhs, the Consolidated Net Profit but before Share of profit from Associate is ₹15,187.70 Lakhs. Share of Loss from an Associate is ₹(5,339.42) Lakhs and Consolidated Profit after tax is ₹9,848.28 Lakhs as against ₹16,645.76 Lakhs in the previous year, decrease of around 40.84 %.

8. Material developments in Human Resources / Industrial Relations front, including number of people employed.

Employees' relations continued to be harmonious throughout the year with the management. Number of permanent employees on the roll of the Company was 14 as on 31st March, 2025.

Your Company believes that, its employees are its greatest strength and the most valuable asset. The management and staff have a mutual faith and trust. The Company provides equal opportunity to all employees and strives to inculcate high performance culture in the organisation.

9. Details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year, if any) in key financial ratios, alongwith detailed explanations thereof.

	Particulars	2024-25	2023-24	Change (%)

REPORT ON CORPORATE GOVERNANCE

Certificate of Compliance with the Corporate Governance

INDEPENDENT AUDITORS' CERTIFICATE ON COMPLIANCE WITH THE CORPORATE GOVERNANCE REQUIREMENTS UNDER SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015.

To,
The Members of,
Pilani Investment and Industries Corporation Limited
9/1, R.N. Mukherjee Road,
Kolkata – 700 001.

1. We have examined the compliance of conditions of Corporate Governance by Pilani Investment and Industries Corporation Limited ("the Company"), for the year ended March 31, 2025, as stipulated in Regulations 17 to 27, Clauses (b) to (i) of Regulation 46(2) and Para C and D of Schedule V to the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

Management's Responsibility for compliance with the conditions of Listing Regulations

2. The compliance of conditions of corporate governance as stipulated under the Listing Regulations is the responsibility of the Company's Management, including the preparation and maintenance of all relevant records and documents. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of Corporate Governance stipulated in the Listing Regulations.

Auditor's Responsibility

3. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. Pursuant to the requirements of the Listing Regulations, it is our responsibility to provide a reasonable assurance whether the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations, for the year ended March 31, 2025.
5. We conducted our examination of the above corporate governance compliance by the Company in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) and Guidance Note on Certification of Corporate Governance, both issued by the Institute of the Chartered Accountants of India (the "ICAI"), in so far as applicable for the purpose of this certificate. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control SQC 1, "Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements".

Opinion

7. In our opinion and to the best of our information and according to the explanations given to us, and representations made by the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations.

8. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restriction on use

9. The certificate is addressed and provided to the members of the Company, solely for the purpose of enabling the Company to comply with the requirement of the Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

Financial Statements

Independent Auditor's Report

To The Members,

Pilani Investment and Industries Corporation Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have jointly audited the accompanying standalone financial statements of **Pilani Investment and Industries Corporation Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibility for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Independent Auditor's Report (Contd.)

Key Audit Matter	Auditor's Response
<p>Valuation of Investments</p> <p>The Company has investments amounting to Rs. 16,48,073 lakhs as on March 31, 2025, which is a significant percentage of the total assets of the Company as on that date. These include investments in listed and unlisted equity and preference shares, including equity investment in subsidiaries and associate. We have identified valuation of investments as a Key Audit Matter due to the proportion and significance of the carrying value of investments to total assets. As per provisions of Indian Accounting Standards, the Company's Investments excluding investments in Subsidiaries and Associates are measured at fair value at each reporting date and this has significant impact on the Company's financial results.</p> <p>The valuation is arrived at using a fair value hierarchy in Ind AS 113 as follows :</p> <ul style="list-style-type: none"> Level 1: Valuation based on quoted prices (unadjusted) in active markets. Level 2: Valuation based on other than quoted prices included within level 1 that are observable either directly or indirectly. Level 3: Valuation based on unobservable inputs for the asset. <p>The valuation of investments is inherently subjective for level 2 and level 3 investments since these are valued using inputs other than quoted prices in an active market. Further, such investments are assessed for indicators of impairment as per requirements of Ind AS 36, which involves judgement for investments in unlisted securities.</p>	<p>Our audit procedures included the following:</p> <p>Design and Controls:</p> <ol style="list-style-type: none"> Understanding of the valuation process, evaluating the design and testing the implementation and operating effectiveness of the controls established by the Company in the process of determination of fair value of the investments, including the independent price verification and valuation governance controls. We found these key controls were designed, implemented and operated effectively and thus determined that we could place reliance on these key controls for the purposes of our audit. Understanding of the process and testing management's controls over involvement of experts and review of reports provided by experts, where applicable. <p>Substantive tests:</p> <ol style="list-style-type: none"> We assessed the methodology and appropriateness of the valuation methods and inputs such as market price etc. used by management to value investments. As part of these audit procedures, we assessed the accuracy of key inputs used in the valuation including observable and non-observable inputs. Obtaining and reading latest available audited financial statements of investee companies and noting key financial attributes/potential indicators of impairment. Assessing the completeness and accuracy of the relevant disclosures made in the standalone financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, for example Boards' Report including various annexures to Boards' Report, but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon.

Independent Auditor's Report (Contd.)

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting

Independent Auditor's Report (Contd.)

a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Independent Auditor's Report (Contd.)

Other Matters

The Standalone Financial Statements of the Company for the year ended March 31, 2024 were audited by previous statutory auditors, who, vide their report dated May 28, 2024, expressed an unmodified opinion on those Standalone Financial Statements.

Our opinion on the Standalone Financial Statements is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act;
 - e. On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure A"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness on the Company's internal financial controls with reference to standalone financial statements.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – refer Note 32 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entities, including foreign entities ("Intermediaries"), with the understanding,

Independent Auditor's Report (Contd.)

whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis- statement.
 - v. The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Act, as applicable.
 - vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in **"Annexure B"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
 3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

Annexure – ‘A’ to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our Report of even date, to the members of Pilani Investment and Industries Corporation Limited, on the standalone financial statements for the year ended March 31, 2025)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of sub- section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have jointly audited the Internal Financial Controls with reference to Standalone Financial Statements of **Pilani Investment and Industries Corporation Limited** (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s and Board of Directors’ Responsibilities for Internal Financial Controls

The Company’s Management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to Standalone Financial Statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Standalone Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to Standalone Financial Statements.

Annexure – ‘A’ to the Independent Auditor’s Report (Contd.)

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company’s internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to Standalone Financial Statements established by the Company, considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Annexure – ‘B’ to the Independent Auditor’s Report

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the members of Pilani Investment and Industries Corporation Limited, on the standalone financial statements for the year ended March 31, 2025)

To the best of our information and according to the explanations and representations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. a. (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The Company does not have Intangible assets and hence reporting under this clause is not applicable.
- b. Property, Plant and Equipment have been physically verified by the management at reasonable intervals and no material discrepancies were identified on such verification.
- c. The title deeds of all immovable properties (other than properties where the company is the lessee and the lease agreement are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.
- d. The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- e. No proceedings have been initiated during the year or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii. (a) The company does not have any inventory and hence reporting under this clause is not applicable.
(b) At any point of time during the year, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Hence, reporting under this clause is not applicable.
- iii. During the year, the Company has made investments in various companies and mutual funds and granted unsecured loans to various companies. Further, during the year, the company has not provided any guarantee or security or advances in the nature of loans, secured or unsecured, to companies, firms Limited Liability Partnerships or any other parties. Accordingly, we report as follows:-
 - a. During the year, the Company has provided loans to other companies and we report in this matter as follows:
 - a. (A) The Company has not provided loans or advances in the nature of loans or stood guarantee or provided security to any of it’s subsidiary or associate companies. The Company does not have any joint venture company.
 - (B) The Company has provided loans to companies other than any of it’s subsidiary or associate companies and the aggregate amount during the year and balance outstanding at the balance sheet date i.e. March 31, 2025 with respect to such loans is Rs. 4400 lakhs and Rs. Nil respectively. Further, during the year the Company has not provided advances in the nature of loans or stood guarantee or provided security to companies other than any of it’s subsidiary or associate companies. The Company does not have any joint venture company.

Annexure – ‘B’ to the Independent Auditor’s Report (Contd.)

- b. The investments made and the terms and conditions of grant of all loans are prima facie not prejudicial to the company’s interest.
- c. In respect of loans, the schedule of repayment of principal and payment of interest has been stipulated and the repayments or receipts are regular;
- d. In respect of aforesaid loans granted by the Company, there is no amount overdue for more than ninety days.
- e. There were no loans or advances in the nature of loan granted to any parties which had fallen due during the year, that have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties. Hence, reporting under this clause is not applicable.
- f. The company has not granted any loans which are either repayable on demand or without specifying any terms or period of repayment. All loans granted by the Company specify terms or period of repayment and also carry call and/or put option in respect of early repayment.
- iv. In respect of loans, investments, guarantees and security, the provisions of Section 185 and 186 of the Act have been complied with by the Company.
- v. The company has not accepted any deposits or amounts which are deemed to be deposits. Hence, reporting under this clause is not applicable.
- vi. The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act, in respect of any of the services rendered by the Company.
- vii. (a) The Company does not have any liability in respect of Sales tax, Service tax, Duty of excise and Value added tax during the year as these statutory dues have been subsumed into Goods and Services Tax (‘GST’) since July 1, 2017.

Amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including GST, Provident fund, Employees’ State Insurance, Income-tax, Cess and any other material statutory dues, as applicable, have generally been regularly deposited with the appropriate authorities. No such dues were in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as at March 31, 2025 with the appropriate authorities, on account of any dispute, are as follows:-

Name of the statute	Nature of the dues	Amount (Rs. in lakhs)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income tax	122.97 (Rs. 24.60 lacs deposited against it)	Assessment Year 2020-21	C.I.T (A), Kolkata

- viii. No transactions, which have not been recorded in the books of account of the Company, have been surrendered or disclosed as income during the year in the tax assessments under the Income tax Act, 1961.
- ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

Annexure – ‘B’ to the Independent Auditor’s Report (Contd.)

- (b) The company is not a declared wilful defaulter by any bank or financial institution or other lender.
- (c) Term loans were applied during the year for the purposes for which they were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the financial statements of the company, we report that prima facie no funds raised on short-term basis have been utilized for long term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, associates or joint venture companies.
- x. (a) The Company has not raised money during the year by way of Initial Public Offer or Further Public Offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) and hence reporting under this is not applicable.
- xi. (a) As represented to us by the management, no fraud by the Company or on the Company has been noticed or reported during the year.
- (b) No report under sub section (12) of section 143 of the Act has been filed by the auditors in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government during the year and upto the date of this report.
- (c) As represented to us by the management, no whistle-blower complaints were received by the Company during the year.
- xii. The Company is not a Nidhi Company and hence reporting under this clause is not applicable.
- xiii. The Company is in compliance with sections 177 and 188 of the Act, where applicable, in respect of all transaction with the related parties and the details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the reports of the Internal Auditors of the company for the year under audit.
- xv. During the year, the Company has not entered into any non- cash transactions with its directors or persons connected with them and hence, provisions of Section 192 of the Act are not applicable to the Company.
- xvi. (a) The Company is required to be registered under section 45 – IA of the Reserve Bank of India Act, 1934 (2 of 1934) and registration has been obtained. (refer Note 42.A to the Standalone Financial Statements).
- (b) The company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India, as per the Reserve Bank of India Act, 1934.

Annexure – ‘B’ to the Independent Auditor’s Report (Contd.)

- (c) As represented to us by the management, the company is an unregistered Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India (‘RBI’) and it continues to fulfil the criteria of a CIC. Further, the company’s application for registration as a CIC has since been processed by RBI and the Company is awaiting receipt of the fresh Certificate of Registration as a CIC (refer Note 42.A to the Standalone Financial Statements).
- (d) As represented to us by the management, as defined in the Core Investment Companies (Reserve Bank) Directions, 2016, the Group has 4 CICs out of which 1 is registered with RBI as a CIC and 3 are unregistered (including the Company).
- xvii. The company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
- xviii. There has been no resignation of Statutory Auditors during the year and accordingly reporting under this clause is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the company is not capable of meeting its liabilities existing at the date of balance sheet, as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx. (a) As represented by the management, there is no unspent amount towards Corporate Social Responsibility (‘CSR’) in respect of ‘other than ongoing projects’, requiring a transfer to a Fund specified in Schedule VII to the Companies Act, 2013, in compliance with second proviso to sub-section (5) of section 135 of the said Act.
- (b) The Company has transferred the amount remaining unspent under sub-section (5) of section 135 of the Companies Act, 2013, in respect of an ‘ongoing project’, to a special account in compliance with the provision of sub section (6) of section 135 of the said Act.

Standalone Statement of Cash Flows

for the year ended 31st March, 2025

(₹ In Lakhs)

Particulars	For the Year Ended 31st March, 2025	For the Year Ended 31st March, 2024
A. Cash flow from operating activities		
Net Profit before Tax	22,170.55	21,860.00
Adjustments for:		
Depreciation	22.42	21.69
Net gain on fair value changes	(2.34)	(0.14)
Operating profit before working capital changes	22,190.63	21,881.55
Changes in working capital:		
Trade receivables	12.84	6.12
Loans and other advances	47,300.00	(25,400.00)
Other non-financial assets	(18.23)	8.89
Trade and other payables	674.82	(82.21)
Cash generated from operations	70,160.06	(3,585.65)
Direct tax paid	(5,223.14)	(5,188.75)
Net Cash Flow From/(Used In) operating activities	64,936.92	(8,774.40)
B. Cash flow from investment activities		
Bank deposits other than cash and cash equivalents	3.13	(1.65)
Sale/(Purchase) of Investments (Net)	(1,64,804.34)	(7,136.43)
Purchase of property, plant and equipments	(45.82)	(2.01)
Net cash flow from/(used in) investment activities	(1,64,847.03)	(7,140.09)
C. Cash flow from financing activities		
Borrowings (net)	98,833.68	21,282.35
Payment of dividend	(1,660.84)	(1,660.84)
Net cash flow from/(used In) financing activities	97,172.84	19,621.51
Net increased/(decreased) in cash and cash equivalents (A+B+C)	(2,737.27)	3,707.02
Opening cash and cash equivalents	4,437.20	730.18
Closing cash and cash equivalents	1,699.93	4,437.20

Notes:

1. Components of cash and cash equivalents:

(₹ In Lakhs)

Particulars	As at 31.03.2025	As at 31.03.2024
- Cash on hand	0.17	0.23
- In current accounts	199.76	106.97
- In Fixed deposit account	1,500.00	4,330.00
Total	1,699.93	4,437.20

2. The above cash flow statement has been prepared under the "indirect method" as set out in the Ind AS - 7 on statement of cash flows specified under section 133 of the Companies Act, 2013.
3. Since the Company is an investment company, purchase and sale of investments have been considered as part of "Cash flow from investing activities" and interest earned of ₹ 23,584.91 Lakhs (Previous year ₹ 23,546.80 Lakhs) and dividend earned of ₹ 7,921.33 Lakhs (Previous year ₹ 6,567.99 Lakhs) have been considered as part of "Cash flow from operating activities".

CORPORATE INFORMATION

Pilani Investment and Industries Corporation Limited is a limited company incorporated and domiciled in India. The registered office of the company is at "Birla Building", 9/1, R. N. Mukherjee Road, 11th floor, Kolkata – 700001, West Bengal, India.

The Company, is registered with the Reserve Bank of India ("RBI") as a Systemically Important Non-Deposit Accepting Company ("NBFC") is holding investments in its subsidiaries, other companies, mutual funds etc. and carries out only such activities as are permitted under the guidelines issued by RBI for NBFC. The Company's application to Reserve Bank of India ("RBI") for conversion from Non- Banking Financial Company to Core Investment Company has since been processed by RBI and as directed by RBI vide its letter dated May 21, 2025, the Company has surrendered the original Certificate of Registration issued by RBI as a NBFC-ICC and the Company is awaiting receipt of the fresh Certificate of Registration as a Core Investment Company.

Its shares are listed on the BSE Limited (BSE), India, and the National Stock Exchange of India Limited (NSE), India.

Material Accounting Policies:

1. Statement of Compliance

These standalone financial statements are prepared and presented in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 notified under section 133 read with sub-section (1) of section 210 A the Companies Act, 2013, the relevant provisions of the Companies Act, 2013 ("the Act") and guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable. In addition, the applicable regulation of the Reserve Bank of India (RBI) and Guidance Notes/announcement issued by the Institute of Chartered Accountants of India (ICAI) are also applied.

1.1. Basis of Preparation

The standalone financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

Fair value measurements under Ind AS are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at reporting date.
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets or liabilities.

1.2. Presentation of Financial Statements

The Standalone Balance Sheet and the Standalone Statement of Profit and Loss are prepared and presented in the format prescribed in the Division III to Schedule III to the Companies Act, 2013 ("the

Notes forming part of the Standalone Financial Statements (Contd.)

Act”) applicable for Non-Banking Finance Companies (“NBFC”). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 “Statement of Cash Flows”.

The disclosure requirements with respect to items in the Standalone Balance Sheet and Standalone Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Amounts in the financial statements are presented in Indian Rupees in Lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013. Per share data are presented in Indian Rupee to two decimal places.

1.3. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured at the fair value of the consideration received or receivable as reduced for estimated customer credits and other similar allowances.

i) Interest and Dividend Income

Interest income is recognised in the Statement of Profit and Loss and for all financial instruments except for those classified as held for trading or those measured or designated as at fair value through profit or loss (FVTPL) is measured using the effective interest method (EIR).

The calculation of the EIR includes all fees and points paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets at FVTPL transaction costs are recognised in profit or loss at initial recognition.

The interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets the interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for expected credit losses (ECLs).

For financial assets originated or purchased credit-impaired (POCI) the EIR reflects the ECLs in determining the future cash flows expected to be received from the financial asset.

Dividend income is recognised when the Company’s right to receive dividend is established by the reporting date and no significant uncertainty as to collectability exists.

ii) Net Gain or Fair Value Changes

Any differences between the fair values of the financial assets classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealised gain/loss in the statement of profit and loss. In cases there is a net gain in aggregate, the same is recognised in “Net gains or fair value changes” under revenue from operations and if there is a net loss the same is disclosed “Expenses”, in the statement of profit and loss.

Notes forming part of the Standalone Financial Statements (Contd.)

iii) Rental income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease terms and is included in rental income in the statement of profit and loss, unless the increase is in line with expected general inflation, in which case lease income is recognised based on contractual terms.

iv) Other Operational Revenue

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

1.4. Properties, Plant and Equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Cost includes all direct cost related to the acquisition of PPE and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy.

Land and buildings held for use are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work in progress".

Depreciation is recognised using reducing balance method so as to write off the cost of the assets (other than freehold land) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in case of assets where the useful life was determined by technical evaluation, over the useful life so determined. Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end with the effect of any change in the estimates of useful life/ residual value is accounted on prospective basis.

Depreciation for additions to/deductions from, owned assets is calculated pro rata to the period of use. Depreciation charge for impaired assets is adjusted in future periods in such a manner that the revised carrying amount of the asset is allocated over its remaining useful life.

Assets held under finance leases are depreciated over the shorter of lease term and their useful life on the same basis as owned assets. However, when there is no reasonable certainty that the Company shall obtain ownership of the assets at the end of the lease term, such assets are depreciated based on the useful life prescribed under Schedule II to the Companies Act, 2013 or based on the useful life adopted by the Company for similar assets.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is recognised in profit or loss.

Notes forming part of the Standalone Financial Statements (Contd.)

1.5. Investment Property

Investment properties are properties (including those under construction) held to earn rentals and / or capital appreciation are classified as investment property and are measured and reported at cost including transaction costs.

Depreciation is recognised using reducing balance method so as to write off the cost of the investment property less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.

Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future benefits embodied in the investment property. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life / residual value is accounted on prospective basis. Freehold land and properties under construction are not depreciated.

As investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal.

Any gain or loss arising on de-recognition of property is recognised in the Statement of Profit and Loss in the same period.

1.6. Intangible Assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Direct expenses and administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

Intangible assets are amortised on straight line basis over the estimated useful life. The method of amortisation and useful life are reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are recognised in profit or loss when the asset is derecognised.

1.7. Impairment of Tangible and Intangible Assets other than Goodwill

As at the end of each accounting year, the Company reviews the carrying amounts of its PPE and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE, investment property and intangible assets are tested for impairment so as to determine the impairment loss, if any. Goodwill and the intangible assets with indefinite life are tested for impairment each year.

Notes forming part of the Standalone Financial Statements (Contd.)

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- i) in the case of an individual asset, at the higher of the net selling price and the value in use; and
- ii) in the case of a cash generating unit (the smallest identifiable Company of assets that generates independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. For this purpose, the impairment loss recognised in respect of a cash generating unit is allocated first to reduce the carrying amount of any goodwill allocated to such cash generating unit and then to reduce the carrying amount of the other assets of the cash generating unit on a pro-rata basis.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit), except for allocated goodwill, is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss (other than impairment loss allocated to goodwill) is recognised immediately in the Statement of Profit and Loss.

1.8. Employee Benefits

- i) Short Term Employee Benefits

Employee benefits falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

- ii) Post-employment benefits:

- a) Defined contribution plans: The Company's superannuation scheme, recognised provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.
- b) Defined benefit plans: The obligation in respect of defined benefit plans, which cover Gratuity are provided for on the basis of an actuarial valuation at the end of each financial year using project unit credit method. The Company's liability is actuarially determined (using the

Notes forming part of the Standalone Financial Statements (Contd.)

Projected Unit Credit Method) at the end of the year. Actuarial losses/gains are recognised in the Other Comprehensive Income in the year in which they arise.

Re-measurement, comprising actuarial gains and losses, is reflected immediately in the Balance Sheet with a charge or credit recognised in the Other Comprehensive Income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings, and will not be reclassified to profit or loss.

Defined benefit costs are categorised as follows:

- i) Service cost (including current service cost, past service cost, as well as gain and losses on curtailments and settlements);
- ii) Net interest expense or income; and
- iii) Re-measurement.

The Company presents the first two components of defined benefit costs in Statement of Profit and Loss in the line item 'Employee Benefits Expense'.

The present value of the defined benefit plan liability is calculated using a discount rate, which is determined by reference to market yields at the end of the reporting period on government bonds.

The retirement benefit obligation, recognized in the Balance Sheet, represents the Company's liability based on actuarial valuation.

iii) Long term employee benefits:

The obligation recognised in respect of long term benefits such as long term compensated absences is measured at present value of estimated future cash flows expected to be made by the Company and is recognised in a similar manner as in the case of defined benefit plans vide (ii) (b) above.

iv) Termination benefits:

Termination benefits such as compensation under employee separation schemes are recognised as expense when the Company's offer of the termination benefit is accepted or when the Company recognises the related restructuring costs whichever is earlier.

1.9. Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it

Notes forming part of the Standalone Financial Statements (Contd.)

considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Company as a lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component based on the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease-by-lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

Notes forming part of the Standalone Financial Statements (Contd.)

Company as a Lessor

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on a straight- line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease. When the Company is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short term lease to which the Company applies the exemption described above, then it classifies the sub-lease as an operating lease.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

1.10. Financial Instruments

Financial assets and financial liabilities are recognised in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

A financial asset and a financial liability is offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

1) Financial Assets

a) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to sole payments of principal and interest on the principal amount outstanding and by selling financial assets.

Notes forming part of the Standalone Financial Statements (Contd.)

c) Equity instruments at FVTOCI

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss. Other net gains and losses in fair value are recognised in OCI and are not reclassified to profit or loss.

d) Debt instruments at amortised cost or at FVTOCI

The Company assesses the classification and measurement of a financial asset based on the contractual cash flow characteristics of the asset and the Company's business model for managing the asset.

For an asset to be classified and measured at amortised cost, its contractual terms should give rise to cash flows that are solely payments of principal and interest on the principal outstanding (SPPI).

For an asset to be classified and measured at FVTOCI, the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and the contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has more than one business model for managing its financial instruments which reflect how the Company manages its financial assets in order to generate cash flows. The Company's business models determine whether cash flows will result from collecting contractual cash flows, selling financial assets or both.

The Company considers all relevant information available when making the business model assessment. However, this assessment is not performed on the basis of scenarios that the Company does not reasonably expect to occur, such as so-called 'worst case' or 'stress case' scenarios. The Company takes into account all relevant evidence available such as:

- how the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way in which those risks are managed; and
- how managers of the business are compensated (e.g. whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).

The Company reassess its business models each reporting period to determine whether the business models have changed since the preceding period. For the current and prior reporting period the Company has not identified a change in its business models.

When a debt instrument measured at FVTOCI is derecognised, the cumulative gain/loss previously recognised in OCI is reclassified from equity to profit or loss.

Notes forming part of the Standalone Financial Statements (Contd.)

In contrast, for an equity investment designated as measured at FVTOCI, the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to profit or loss but transferred within equity.

Debt instruments that are subsequently measured at amortised cost or at FVTOCI are subject to impairment.

e) **Financial assets at fair value through profit or loss (FVTPL)**

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.

The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

f) **De-recognition**

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily de-recognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and
- either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

2) **Financial liabilities**

- a) Financial liabilities, including derivatives, which are designated for measurement at FVTPL are subsequently measured at fair value. Financial guarantee contracts are subsequently measured at the amount of impairment loss allowance or the amount recognised at inception net of cumulative amortisation, whichever is higher.

All other financial liabilities including loans and borrowings are measured at amortised cost using Effective Interest Rate (EIR) method.

- b) A financial liability is derecognised when the related obligation expires or is discharged or cancelled.

1.11. **Write Off**

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes

Notes forming part of the Standalone Financial Statements (Contd.)

a derecognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

1.12. Impairment

The Company recognises loss allowances for ECLs on the following financial instruments that are not measured at FVTPL:

- Loans and advances to customers;
- Debt investment securities;
- Trade and other receivable;
- Lease receivables;
- Irrevocable loan commitments issued; and
- Financial guarantee contracts issued.

Credit-impaired financial assets

A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Credit-impaired financial assets are referred to as Stage 3 assets. Evidence of credit impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider;
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

It may not be possible to identify a single discrete event—instead, the combined effect of several events may have caused financial assets to become credit-impaired. The Company assesses whether debt instruments that are financial assets measured at amortised cost or FVTOCI are credit-impaired at each reporting date. To assess if corporate debt instruments are credit impaired, the Company considers factors such as bond yields, credit ratings and the ability of the borrower to raise funding.

A loan is considered credit-impaired when a concession is granted to the borrower due to a deterioration in the borrower's financial condition, unless there is evidence that as a result of granting the concession the risk of not receiving the contractual cash flows has reduced significantly and there are no other indicators of impairment.

For financial assets where concessions are contemplated but not granted the asset is deemed credit impaired when there is observable evidence of credit-impairment including meeting the definition of default. The definition of default (see below) includes unlikelihood to pay indicators and a back-stop if amounts are overdue for 90 days or more.

Notes forming part of the Standalone Financial Statements (Contd.)

Significant increase in credit risk

The Company monitors all financial assets and financial guarantee contracts that are subject to the impairment requirements to assess whether there has been a significant increase in credit risk since initial recognition. If there has been a significant increase in credit risk the Company will measure the loss allowance based on lifetime rather than 12-month ECL.

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Company compares the risk of a default occurring on the financial instrument at the reporting date based on the remaining maturity of the instrument with the risk of a default occurring that was anticipated for the remaining maturity at the current reporting date when the financial instrument was first recognised. In making this assessment, the Company considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort, based on the Company's historical experience and expert credit assessment.

Given that a significant increase in credit risk since initial recognition is a relative measure, a given change, in absolute terms, in the Probability of Default will be more significant for a financial instrument with a lower initial PD than compared to a financial instrument with a higher PD.

As a back-stop when loan asset not being a corporate loans becomes 30 days past due, the Company considers that a significant increase in credit risk has occurred and the asset is in stage 2 of the impairment model, i.e. the loss allowance is measured as the lifetime ECL in respect of all retail assets. In respect of the corporate loan assets, shifting to Stage 2 has been rebutted using historical evidence from own portfolio to a threshold of 60 days past due, which is reviewed annually.

Purchased or originated credit-impaired (POCI) financial assets

POCI financial assets are treated differently because the asset is credit-impaired at initial recognition. For these assets, the Company recognises all changes in lifetime ECL since initial recognition as a loss allowance with any changes recognised in profit or loss. A favourable change for such assets creates an impairment gain.

Definition of default

Critical to the determination of ECL is the definition of default. The definition of default is used in measuring the amount of ECL and in the determination of whether the loss allowance is based on 12-month or lifetime ECL, as default is a component of the probability of default (PD) which affects both the measurement of ECLs and the identification of a significant increase in credit risk.

The Company considers the following as constituting an event of default:

- the borrower is past due more than 90 days on any material credit obligation to the Company; or
- the borrower is unlikely to pay its credit obligations to the Company in full.

The definition of default is appropriately tailored to reflect different characteristics of different types of assets.

When assessing if the borrower is unlikely to pay its credit obligation, the Company takes into account both qualitative and quantitative indicators. The information assessed depends on the

Notes forming part of the Standalone Financial Statements (Contd.)

type of the asset, for example in corporate lending a qualitative indicator used is the admittance of bankruptcy petition by National Company Law Tribunal, which is not relevant for retail lending. Quantitative indicators, such as overdue status and non-payment on another obligation of the same counter party are key inputs in this analysis. The Company uses a variety of sources of information to assess default which are either developed internally or obtained from external sources. The definition of default is applied consistently to all financial instruments unless information becomes available that demonstrates that another default definition is more appropriate for a particular financial instrument. With the exception of POCI financial assets (which are considered separately below), ECLs are required to be measured through a loss allowance at an amount equal to:

- 12-month ECL, i.e. lifetime ECL that result from those default events on the financial instrument that are possible within 12 months after the reporting date, (referred to as Stage 1); or
- full lifetime ECL, i.e. lifetime ECL that result from all possible default events over the life of the financial instrument, (referred to as Stage 2 and Stage 3).

A loss allowance for full lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition (and consequently to credit impaired financial assets). For all other financial instruments, ECLs are measured at an amount equal to the 12-month ECL.

ECLs are a probability-weighted estimate of the present value of credit losses. These are measured as the present value of the difference between the cash flows due to the Company under the contract and the cash flows that the Company expects to receive arising from the weighting of multiple future economic scenarios, discounted at the asset's EIR.

- for financial guarantee contracts, the ECL is the difference between the expected payments to reimburse the holder of the guaranteed debt instrument less any amounts that the Company expects to receive from the holder, the debtor or any other party.

The Company measures ECL on an individual basis, or on a collective basis for portfolios of loans that share similar economic risk characteristics.

1.13. Modification and derecognition of financial assets

A modification of a financial asset occurs when the contractual terms governing the cash flows of a financial asset are renegotiated or otherwise modified between initial recognition and maturity of the financial asset. A modification affects the amount and/or timing of the contractual cash flows either immediately or at a future date. In addition, the introduction or adjustment of existing covenants of an existing loan may constitute a modification even if these new or adjusted covenants do not yet affect the cash flows immediately but may affect the cash flows depending on whether the covenant is or is not met (e.g. a change to the increase in the interest rate that arises when covenants are breached).

The Company renegotiates loans to customers in financial difficulty to maximise collection and minimise the risk of default. A loan forbearance is granted in cases where although the borrower made all reasonable efforts to pay under the original contractual terms, there is a high risk of default or default has already happened and the borrower is expected to be able to meet the revised terms. The revised terms in most of the cases include an extension of the maturity of the loan, changes to

Notes forming part of the Standalone Financial Statements (Contd.)

the timing of the cash flows of the loan (principal and interest repayment), reduction in the amount of cash flows due (principal and interest forgiveness) and amendments to covenants.

When a financial asset is modified the Company assesses whether this modification results in derecognition. In accordance with the Company's policy a modification results in derecognition when it gives rise to substantially different terms. To determine if the modified terms are substantially different from the original contractual terms the Company considers the following:

- Qualitative factors, such as contractual cash flows after modification are no longer SPPI,
- Change in currency or change of counter party,
- The extent of change in interest rates, maturity, covenants.

If these do not clearly indicate a substantial modification, then;

- a) In the case where the financial asset is derecognised the loss allowance for ECL is re-measured at the date of derecognition to determine the net carrying amount of the asset at that date.

The difference between this revised carrying amount and the fair value of the new financial asset with the new terms will lead to a gain or loss on derecognition. The new financial asset will have a loss allowance measured based on 12-month ECL except in the rare occasions where the new loan is considered to be originated-credit impaired. This applies only in the case where the fair value of the new loan is recognised at a significant discount to its revised paramount because there remains a high risk of default which has not been reduced by the modification. The Company monitors credit risk of modified financial assets by evaluating qualitative and quantitative information, such as if the borrower is in past due status under the new terms.

- b) When the contractual terms of a financial asset are modified and the modification does not result in derecognition, the Company determines if the financial asset's credit risk has increased significantly since initial recognition by comparing:
 - the remaining lifetime PD estimated based on data at initial recognition and the original contractual terms; with
 - the remaining lifetime PD at the reporting date based on the modified terms.

For financial assets modified, where modification did not result in derecognition, the estimate of PD reflects the Company's ability to collect the modified cash flows taking into account the Company's previous experience of similar forbearance action, as well as various behavioural indicators, including the borrower's payment performance against the modified contractual terms. If the credit risk remains significantly higher than what was expected at initial recognition the loss allowance will continue to be measured at an amount equal to lifetime ECL. The loss allowance on forborne loans will generally only be measured based on 12-month ECL when there is evidence of the borrower's improved repayment behaviour following modification leading to a reversal of the previous significant increase in credit risk.

Where a modification does not lead to derecognition the Company calculates the modification gain/loss comparing the gross carrying amount before and after the modification (excluding the ECL

Notes forming part of the Standalone Financial Statements (Contd.)

allowance). Then the Company measures ECL for the modified asset, where the expected cash flows arising from the modified financial asset are included in calculating the expected cash shortfalls from the original asset.

The Company derecognises a financial asset only when the contractual rights to the asset's cash flows expire (including expiry arising from a modification with substantially different terms), or when the financial asset and substantially all the risks and rewards of ownership of the asset are transferred to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain/ loss that had been recognised in OCI and accumulated in equity is recognised in profit or loss, with the exception of equity investment designated as measured at FVTOCI, where the cumulative gain/loss previously recognised in OCI is not subsequently re-classified to profit or loss.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain/loss allocated to it that had been recognised in OCI is recognised in profit or loss. A cumulative gain/loss that had been recognised in OCI is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts. This does not apply for equity investments designated as measured at FVTOCI, as the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to profit or loss.

1.14. Presentation of allowance for ECL in the Balance Sheet

Loss allowances for ECL are presented in the statement of financial position as follows:

- for financial assets measured at amortised cost: as a deduction from the gross carrying amount of the assets;
- for debt instruments measured at FVTOCI: no loss allowance is recognised in Balance Sheet as the carrying amount is at fair value.

1.15. Cash and bank balances:

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

Notes forming part of the Standalone Financial Statements (Contd.)

1.16. Borrowing costs:

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings, to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings, that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

1.17. Accounting and reporting of information for Operating Segments:

Operating segments are those components of the business whose operating results are regularly reviewed by the chief operating decision making body in the Company to make decisions for performance assessment and resource allocation. The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments. Segment accounting policies are in line with the accounting policies of the Company.

1.18. Foreign currencies:

- i) The functional currency and presentation currency of the Company is Indian Rupee. Functional currency of the Company and foreign operations has been determined based on the primary economic environment in which the Company and its foreign operations operate considering the currency in which funds are generated, spent and retained.
- ii) Transactions in currencies other than the Company's functional currency are recorded on initial recognition using the exchange rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the prevailing closing spot rate. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the Statement of Profit and Loss in the period in which they arise.

- iii) Financial statements of foreign operations whose functional currency is different than Indian Rupees are translated into Indian Rupees as follows:
 - A. assets and liabilities for each Balance Sheet presented are translated at the closing rate at the date of that Balance Sheet;
 - B. income and expenses for each income statement are translated at average exchange rates; and
 - C. all resulting exchange differences are recognised in other comprehensive income and accumulated in equity as foreign currency translation reserve for subsequent reclassification to profit or loss on disposal of such foreign operations.

Notes forming part of the Standalone Financial Statements (Contd.)

1.19. Taxation:

Current Tax:

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to an item which is recognised directly in equity or in other comprehensive income.

Current tax is the expected tax payable/ receivable on the taxable income/ loss for the year using applicable tax rates for the relevant period, and any adjustment to taxes in respect of previous years.

Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

1.20. Provisions, contingent liabilities and contingent assets:

Provisions are recognised only when:

- i) a Company entity has a present obligation (legal or constructive) as a result of a past event; and
- ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- iii) a reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Notes forming part of the Standalone Financial Statements (Contd.)

Contingent liability is disclosed in case of:

- i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- ii) a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

1.21. Commitment:

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- a) estimated amount of contracts remaining to be executed on capital account and not provided for;
- b) uncalled liability on shares and other investments partly paid;
- c) funding related commitment to associate companies; and
- d) other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

1.22. Statement of cash flows:

Statement of cash flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i) changes during the period in operating receivables and payables transactions of a non-cash nature;
- ii) non-cash items such as depreciation, provisions, deferred taxes, unrealised gains and losses; and
- iii) all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

1.23. Earnings per share:

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year.

Notes forming part of the Standalone Financial Statements (Contd.)

Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

1.24. Key source of estimation:

The preparation of financial statements in conformity with Ind AS requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment & intangible assets, expected credit loss on loan books, future obligations in respect of retirement benefit plans, fair value measurement etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

(ii) Terms/rights attached to equity shares

The Company has only one class of equity shares having a par value of ₹10 per share. Each holder of equity shares is entitled to one vote per share. The company declares and pays dividend in Indian Rupees.

During the year ended 31st March, 2025, the amount of per share dividend recognized as distributions to shareholders was ₹ 15 /- (₹ 15/-) per share.

The Board of Directors at its meeting held on 26th May, 2025, have proposed a final dividend of ₹ 15/- per equity share for the financial year ended 31st March, 2025. The proposal is subject to the approval of the Shareholders at the forthcoming Annual General Meeting. Total cash out flow would be ₹ 1,660.84 Lakhs (₹1,660.84 Lakhs) and the same will be accounted for in the financial year 2025 - 26 in terms of Indian Accounting Standard (Ind AS) notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

Notes: Nature and purpose of reserve

(i) Statutory reserve (Reserve u/s. 45-IA of the Reserve Bank of India Act, 1934 (the “RBI Act, 1934”))

Reserve is created as per the terms of section 45-IC(1) of the Reserve Bank of India Act, 1934 as a statutory reserve.

(ii) General reserve

Amounts set aside from retained profits as a reserve to be utilised for permissible specified purpose as per prevailing law for the time being.

(iii) FVTOCI equity investments

The Company has elected to recognise changes in the fair value of investments in equity securities (other than investment in subsidiaries and associate) in other comprehensive income. These changes are accumulated within the FVTOCI equity investments reserve within equity.

Notes forming part of the Standalone Financial Statements (Contd.)

(iv) Retained earnings

Surplus in the statement of profit and loss is the accumulated available profit of the Company carried forward from earlier years. These reserves are free reserves which can be utilised for any purpose as may be required.

(i) Income Tax matter under dispute/ appeal before CIT (A), Kolkata- for A.Y. 2020-21 in respect of certain disallowances, etc.	-	-
* Out of the aforementioned amount, ₹ 24.60 lakhs has been deposited with the department during the year, (Previous Year: ₹ Nil)		
(B) Commitments		
(ii) Uncalled liability on partly paid shares held as investments	-	21,183.43

Notes forming part of the Standalone Financial Statements (Contd.)

Note No. 33 : Corporate social responsibility ("CSR") expenses :

As per Section 135 of the Companies Act, 2013 ("Act"), a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. The areas for CSR activities are healthcare including preventive healthcare, providing safe drinking water, sanitation facility, promoting education, old age home maintenance, environmental sustainability and promotion and development of traditional art and handicrafts. A CSR committee has been formed by the company as per the Act.

The funds were primarily allocated to a corpus and utilized through the year on these activities which are specified in Schedule VII of the Companies Act, 2013

The amounts expended are as follows:

(₹ In Lakhs)

Particulars	For the year ended 31st March, 2025	For the year ended 31st March, 2024
(a) amount required to be spent by the company during the year	303.42	282.20
(b) amount of expenditure incurred	254.14	266.66
(c) shortfall at the end of the year	49.28	15.54
(d) total of previous year shortfall	-	-
(e) reason for shortfall	<p>The said shortfall occurred as certain pre-disbursal formalities were pending at the implementing agency's end, in respect of the ongoing programme/project. However, the shortfall was duly provided for as a liability in the financial statements for the financial year 2024-25 by a corresponding charge to the Statement of Profit and Loss, as during the said year the Company had undertaken a binding commitment to the said implementing agency.</p> <p>The Company was in touch with various prospective implementing agencies/ beneficiaries in consonance with the CSR Policy and Annual Action Plan, but the same could not be materialised by 31st March, 2024.</p>	
(f) nature of CSR activities		
(i) construction/acquisition of any assets	-	-
(ii) on purpose other than (i) above	254.14	266.66
(g) details of related party transactions,	NA	NA
(h) provision made with respect to a liability incurred by entering into contractual obligations	NA	NA

Note No. 34 : Lease Disclosures

(a) As lessee

During the period ended March 31, 2025 the expense recognized in the statement of profit and loss includes:

- (i) Rental Expenses recorded for Short-term lease ₹ 31.35 Lakhs for the year ended 31 March, 2025 (Previous Year: ₹ 29.64 Lakhs)

Notes forming part of the Standalone Financial Statements (Contd.)

(b) Operating lease commitments – as lessor

The Company has let out portions of office premises along with furniture and fixtures and other amenities on operating lease. It has recognised lease rental income amounting to ₹ 119.81 Lakhs and ₹ 138.59 Lakhs for the year ended 31st March 2025 and 2024 respectively in the statement of profit and loss.

Note No. 35 : Segment reporting

Operating segment are components of the Company whose operating results are regularly reviewed by the Chief Operating Decision Maker ("CODM") to make decisions about resources to be allocated to the segment and assess its performance and for which discrete financial information is available.

The Company is engaged primarily on the business of "Investments and Financing" activities only, taking into account the risks and returns, the organization structure and the internal reporting systems. All the operations of the Company are in India. All non-current assets of the Company are located in India. Accordingly, there are no separate reportable segments as per Ind AS 108 – "Operating segments".

Note No. 44 : Employee benefit plan :

Disclosure in respect of employee benefits under Ind AS 19 - Employee Benefit are as under:

(a) Defined contribution plan

The Company's contribution to provident fund are considered as defined contribution plans. The Company's contribution to provident fund aggregating ₹ 20.23 lakhs (31st March, 2024: ₹ 20.50 lakhs) has been recognised in the statement of profit and loss under the head employee benefits expense.

(b) Defined benefit plan:**Gratuity**

The Company operates a defined benefit plan (the "gratuity plan") covering eligible employees. The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age/ resignation date.

The defined benefit plans expose the Company to risks such as actuarial risk, liquidity risk, legislative risk.

These are discussed as follows:

Actuarial risk: It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons:

Adverse salary growth experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in obligation at a rate that is higher than expected.

Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

Notes forming part of the Standalone Financial Statements (Contd.)

Liquidity risk: Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign / retire from the Company, there can be strain on the cash flows.

Legislative risk: Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation/regulation. The government may amend the Payment of Gratuity Act, 1972, thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the defined benefit obligation and the same will have to be recognized immediately in the year when any such amendment is effective.

The status of gratuity plan as required under Ind AS-19 is as under

(₹ In Lakhs)

Notes forming part of the Standalone Financial Statements (Contd.)

viii. Sensitivity analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and withdrawal rates. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis is given below:

(₹ In Lakhs)

Particulars	As at 31st March, 2025		As at 31st March, 2024	
Defined benefit obligation (Base)	37.32		30.11	
Particulars	For the Year Ended 31st March, 2025		For the Year Ended 31st March, 2024	
	Decrease	Increase	Decrease	Increase
Discount rate (- / + 1%)	38.90	35.93	31.31	29.07
(% change compared to base due to sensitivity)	4.23%	(3.71%)	3.99%	(3.46%)
Salary growth rate (- / + 1%)	35.87	38.94	29.02	31.35
(% change compared to base due to sensitivity)	(3.88%)	4.35%	(3.62%)	4.12%
Attrition Rate (-/+50%)	37.24	37.38	29.98	30.22
(% change compared to base due to sensitivity)	(0.21%)	0.18%	0.44%	0.39%
Mortality Rate (-/+10%)	37.28	37.36	30.08	30.14
(% change compared to base due to sensitivity)	(0.10%)	0.10%	(0.11%)	0.10%

ix. Asset liability matching strategies

The Company account for the liabilities based on the actuarial valuation report and paid from its own resources whenever liabilities is crystallized. The projected liability statements is obtained from the actuarial valuer.

x. Effect of plan on the Company's future cash flows

a) Maturity profile of defined benefit obligation

The average outstanding term of the obligations (years) as at valuation date is 5 years.

(₹ In Lakhs)

Particulars	Cash Flow
Expected cash flows over the next (valued on undiscounted basis):	
1 Year	23.41
2 to 5 Years	1.68
6 to 10 Years	11.32
More than 10 Years	16.36

Amount written off	-	-
Balance at the end of the year	19.06	19.06

Notes forming part of the Standalone Financial Statements (Contd.)

Note No. 48 : (Contd.)

B. Measurement of fair values

i) Valuation techniques and significant unobservable inputs

The carrying amounts of financial assets and liabilities which are at amortised cost are considered to be the same as their fair values as there is no material differences in the carrying values presented.

ii) Financial instruments - fair value

The fair value of financial instruments as referred to in note (A) above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurement).

The categories used are as follows:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices;

Level 2: The fair value of financial instruments that are not traded in active market is determined using valuation technique which maximizes the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value on instrument are observable, the instrument is included in level 2; and

Level 3: If one or more of significant input is not based on observable market data, the instrument is included in level 3.

iii) Transfers between levels I and II

There has been no transfer in between level I and level II.

iv) Valuation techniques

Investment in equity instruments

The majority equity instruments held by the Company are actively traded on stock exchanges with readily available active prices on a regular basis. Such instruments are classified as level 1.

Investments in mutual Funds are valued as per the NAV prevailing at the end of the financial years and such investments are classified as level 1.

Equity investments in unquoted instruments are fair valued using the valuation technique and accordingly classified as level 3.

C. Capital

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the NBFC's Sector regulator and supervisor, RBI. The adequacy of the Company's capital is monitored using, among other measures, the regulations issued by RBI.

Notes forming part of the Standalone Financial Statements (Contd.)

The Company has complied in full with all its externally imposed capital requirements over the reported period. Equity share capital and other equity are considered for the purpose of Company's capital management.

C.1 Capital management

The primary objectives of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

C.2 Regulatory capital

Ratio	Numerator	Denominator	As at 31st March, 2025	As at 31st March, 2024
CRAR	(CRAR Tier 1 + CRAR Tier II) x 100	Risk Weighted Assets	3.84*	49.57
CRAR- Tier I Capital (%)	Adjusted Net Worth x 100	Total Risk Weighted Assets	3.84*	49.57
CRAR- Tier II Capital (%)	Adjusted Net Worth x 100	Total Risk Weighted Assets	-	-
Amount of subordinated debt raised as Tier-II capital			-	-
Amount raised by issue of perpetual debt instruments			-	-

*Please refer Note No. 42 A .

CRAR for 2024-25 & 2023-24 has been calculated on the basis of RBI Circular No. RBI/19-20/170 DOR (NBFC). CC.PD.No.109/22.10.106/2019-20 dated March 13, 2020.

Note No. 49 : Financial risk management objectives and policies:

The Company's principal financial liabilities comprise borrowings and trade payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include Investments, Loan, Trade Receivables and Cash and Cash equivalents that derive directly from its operations.

The Company is exposed to credit risk, liquidity risk and market risk. The Company's board of directors has an overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the risk management committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports to the board of directors on its activities.

Notes forming part of the Standalone Financial Statements (Contd.)

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed to reflect changes in market conditions and the Company's activities.

The Company's risk management committee oversees how management monitors compliance with the Company's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

1) Credit risk

Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligations and arises principally from the Company's receivables from customers and loans.

The carrying amounts of financial assets represent the maximum credit risk exposure.

Trade Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry.

The Company's exposure to credit risk for loans and advances by type of counterparty is as follows:

(₹ In Lakhs)		
Particulars	As at 31st March, 2025	As at 31st March, 2024
Trade Receivables	24.12	36.96
Loans	1,90,400.00	2,37,700.00

An impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of time value of money and credit risk. For the purposes of this analysis, the trade receivables are categorised into groups based on days past due.

Investments

The investments of the Company are in the group companies which includes investment in subsidiaries companies and an associate.

The company has also made investments in the units of mutual funds on the basis of risk and returns of the respective scheme.

Cash and cash equivalent and Bank deposits

Credit risk on cash and cash equivalent and bank deposits is limited as the Company generally invests in term deposits with banks.

Notes forming part of the Standalone Financial Statements (Contd.)

2 a) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due.

The Company is monitoring its liquidity risk by estimating the future inflows and outflows during the start of the year and planned accordingly the funding requirement. The Company manages its liquidity by term loans, inter-corporate deposit and investment in mutual funds.

The table below summarises the maturity profile of the Company's non-derivative financial liabilities based on contractual undiscounted payments along with its carrying value as at the balance sheet date.

(₹ In Lakhs)

	Up to 12 months	More than 12 months	Total
As at 31st March, 2025			
Debt securities	1,18,689.97	-	1,18,689.97
Borrowings	75,000.00	-	75,000.00
Trade payable	1.89	-	1.89
Other Financial Liabilities	798.17	-	798.17
As at 31st March 2024			
Debt securities	94,856.29	-	94,856.29
Borrowings	-	-	-
Trade payable	1.84	-	1.84
Other Financial liabilities	40.18	-	40.18

2 b) Liquidity Coverage Ratio (LCR)

The Liquidity Coverage Ratio (LCR) is one of the key parameters closely monitored by RBI to enable a more resilient financial sector. The objective of the LCR is to promote an environment wherein balance sheet carry a strong liquidity for short term cash flow requirements. To ensure strong liquidity NBFCs are required to maintain adequate pool of unencumbered High-Quality Liquid Assets (HQLA) which can be easily converted into cash to meet their stressed liquidity needs for 30 calendar days. The LCR is expected to improve the ability of financial sector to absorb the shocks arising from financial and/or economic stress, thus reducing the risk of spill over from financial sector to real economy.

For the purpose of HQLA the Company considered: (1) All the contractual debt repayments, (2) committed credit facilities contracted with customers, and (3) other expected cash outflows. Inflows comprises of: (1) expected receipt from all performing ICDs, and (2) liquid investment which are encumbered and have not been considered as part of HQLA.

Notes forming part of the Standalone Financial Statements (Contd.)

Quantitative information on Liquidity Coverage Ratio (LCR) for the year ended March 31, 2025 is given below:

Notes forming part of the Standalone Financial Statements (Contd.)

3) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices.

Market risk includes interest rate risk and foreign currency risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

4) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Floating rate instruments exposes the Company to Cash flow interest risk, whereas fixed interest rate instruments expose the Company to fair value interest risk.

5) Expected Credit Loss

Expected Credit loss is a calculation of the present value of the amount expected to be lost on a financial asset, for financial reporting purposes. Credit risk is the potential that the obligor and counterparty will fail to meet its financial obligations to the lender. This requires an effective assessment and management of the credit risk at both individual and portfolio level.

The key components of Credit Risk assessment are:

1. Probability of Default (PD): represents the likelihood of default over a defined time horizon.
2. Exposure at Default (EAD): represents how much the obligor is likely to be borrowing at the time of default.
3. Loss Given Default (LGD): represents the proportion of EAD that is likely to be lost post-default.

The definition of default is taken as 90 days past due for all retail and corporate loans.

Delinquency buckets have been considered as the basis for the staging of all loans in the following manner:

- 0-30 days past due loans classified as stage 1
- Between 31-90 days past due loans classified as stage 2 and
- Above 90 days past due loans classified as stage 3

EAD is the total amount outstanding including accrued interest as on the reporting date.

EAD is the total amount outstanding including accrued interest as on the reporting date.

Independent Auditor's Report

To The Members,

Pilani Investment and Industries Corporation Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have jointly audited the accompanying consolidated financial statements of **Pilani Investment and Industries Corporation Limited** (the "Parent Company") and its subsidiaries (the Parent Company and its subsidiaries together referred to as the "Group") and the Group's share of profit/loss in its associate, which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on separate financial statements of the subsidiaries and associate referred to in the Other Matters section of our report below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS') and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at March 31, 2025 and their consolidated profit, their consolidated total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by other auditors in terms of their reports referred to in paragraphs 2 and 3 of the "Other Matters" section of our report below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Independent Auditor's Report

Key Audit Matter	Auditor's Response
<p>Valuation of Investments</p> <p>The Parent Company has investments amounting to Rs. 16,48,073 lakhs as on March 31, 2025, which is a significant percentage of the total assets of the Parent Company as on that date. These include investments in listed and unlisted equity and preference shares, including equity investment in subsidiaries and associate. We have identified valuation of investments as a Key Audit Matter due to the proportion and significance of the carrying value of investments to total assets. As per provisions of Indian Accounting Standards, the Parent Company's Investments excluding investments in Subsidiaries and Associates are measured at fair value at each reporting date and this has significant impact on the Parent Company's financial results.</p> <p>The valuation is arrived at using a fair value hierarchy in Ind AS 113 as follows :</p> <ul style="list-style-type: none"> • Level 1: Valuation based on quoted prices (unadjusted) in active markets. • Level 2: Valuation based on other than quoted prices included within level 1 that are observable either directly or indirectly. • Level 3: Valuation based on unobservable inputs for the asset. <p>The valuation of investments is inherently subjective for level 2 and level 3 investments since these are valued using inputs other than quoted prices in an active market. Further, such investments are assessed for indicators of impairment as per requirements of Ind AS 36, which involves judgement for investments in unlisted securities.</p>	<p>Our audit procedures included the following:</p> <p>Design and Controls:</p> <ol style="list-style-type: none"> Understanding of the valuation process, evaluating the design and testing the implementation and operating effectiveness of the controls established by the Parent Company in the process of determination of fair value of the investments, including the independent price verification and valuation governance controls. We found these key controls were designed, implemented and operated effectively and thus determined that we could place reliance on these key controls for the purposes of our audit. Understanding of the process and testing management's controls over involvement of experts and review of reports provided by experts, where applicable. <p>Substantive tests:</p> <ol style="list-style-type: none"> We assessed the methodology and appropriateness of the valuation methods and inputs such as market price etc. used by management to value investments. As part of these audit procedures, we assessed the accuracy of key inputs used in the valuation including observable and non-observable inputs. Obtaining and reading latest available audited financial statements of investee companies and noting key financial attributes/potential indicators of impairment. Assessing the completeness and accuracy of the relevant disclosures made in the consolidated financial statements.

Independent Auditor's Report

The 3 Key Audit Matters identified by the Auditors of the associate company, Aditya Birla Real Estate Limited (erstwhile Century Textiles and Industries Limited), are being reproduced from their audit report, as hereinbelow:

Key audit matters	How our audit addressed the key audit matter
Recoverability of Deferred tax (as described in Note 16 of the consolidated Ind AS financial statements)	
<p>The Group has recognized Minimum Alternate Tax (MAT) credit receivable of INR 357 crore as at March 31, 2025.</p> <p>Further, pursuant to the Taxation Laws (Amendment) Act, 2019 (new tax regime), the Group has measured its deferred tax balances expected to reverse after the likely transition to new tax regime, at the rate specified in the new tax regime. The recognition and measurement of MAT credit receivable and deferred tax balances is a key audit matter as the recoverability of such credits within the allowed time frame in the manner prescribed under tax regulations and estimation of year of transition to the new tax regime involves significant estimate of the financial projections, availability of sufficient taxable income in the future and admissibility of tax positions adopted by the Group.</p>	<p>Our procedures included, amongst others, the following:</p> <ul style="list-style-type: none"> • Considered Group's accounting policies with respect to recognition and measurement of tax balances in accordance with Ind AS 12 "Income Taxes". • Performed and understanding of the process and tested the internal controls over recognition and measurement of tax balances through inspection of evidence of performance of these controls. • Performed the tests of details including the following key procedures: • Involved tax specialists who evaluated the Group's tax positions basis the tax law and also by comparing it with prior years and past precedents. • Discussed the future business plans and financial projections as approved by the management. • Assessed the management's long-term financial projections and the key assumptions used in the projections by comparing it with the past trends, approved business plan, projections used for estimation of likely year of transition to the new tax regime and projections used for impairment assessment, where applicable. • Assessed the deferred tax on temporary differences which are expected to reverse after the likely date of transition to the new tax regime and considered the impact thereof. Assessed the disclosures in accordance with the requirements of Ind AS 12 "Income Taxes"

Independent Auditor's Report

Assessing the carrying value of Real estate inventories (as described in Note 9 of the consolidated financial statement)	
<p>As at March 31, 2025 the carrying value of the inventory of ongoing real estate projects is Rs.8,942.48 Crore. The inventories are held at the lower of the cost and net realizable value. The cost of the inventory is calculated using actual land acquisition costs, construction costs, development related costs and interest capitalized for eligible projects. We identified the assessment of whether carrying value of inventory were stated at the lower of cost and net realizable value ("NRV") as a key audit matter due to the significance of the balance to the consolidated Ind AS financial statements as a whole and the involvement of estimations in the assessment. The determination of the NRV involves estimates based on prevailing market conditions and taking into account the estimated future selling price, cost to complete projects and selling costs.</p>	<p>Our audit procedures included considering the Company's accounting policies with respect to valuation of inventories in accordance with Ind AS 2 "Inventories". We assessed the Company's methodology based on current economic and market conditions, applied in assessing the carrying value of Inventory balance. We performed test of controls over process of valuation of inventory and authorization for inventory write down.</p> <p>We performed the following test of details:</p> <ul style="list-style-type: none"> Assessed the methods used by the management, in determining the NRV of ongoing real estate projects. Obtained, read and assessed the management's process in estimating the future costs to completion for inventory of ongoing projects. Discussed with management the life cycle of the projects, key project risks, changes to project strategy, current and future estimated sales prices, construction progress and impairment. <p>Compared the NRV to recent sales in the project.</p>
Recognition of Revenue from Sale of Real Estate Inventory (as described in Note 21 of the consolidated Ind AS financial statements)	
<p>The Group applies Ind AS 115 "Revenue from contracts with customers" for recognition of revenue from real estate projects, which is being recognised at a point in time upon the Group satisfying its performance obligation and the customer obtaining control of the underlying asset. Considering application of Ind AS 115 involves significant judgement in identifying performance obligations and determining when 'control' of the asset underlying the performance obligation is transferred to the customer, the same has been considered as key audit matter.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> Read the Company's revenue recognition accounting policies and assessed compliance of the policies with Ind AS 115; Obtained and understood revenue recognition process including identification of performance obligations and determination of transfer of control of the asset underlying the performance obligation to the customer; Obtained management assessment to determine the point in time at which the control is transferred in accordance with the underlying agreements;

Independent Auditor's Report

	<ul style="list-style-type: none"> Tested, revenue related transactions with the underlying customer contracts, sale deed and other possession related documents, evidencing the transfer of control of the asset to the customer based on which revenue is recognized; <p>Assessed the revenue related disclosures included in Note 21 to the consolidated Ind AS financial statements in accordance with the requirements of Ind AS 115.</p>
--	---

Information Other than the Financial Statements and Auditor's Report Thereon

The Parent Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, for example Boards' Report including various annexures to Boards' Report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries and associate audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries and associate is traced from their financial statements audited by the other auditors.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Consolidated Financial Statements

The Parent Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including Ind AS. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies

Independent Auditor's Report

included in the Group and of its associate are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intend to liquidate their respective entities or cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are also responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group and its associate to express an opinion on the consolidated financial statements. We are

Independent Auditor's Report

responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent Company of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. The Consolidated Financial Statements of the Group and its associate for the year ended March 31, 2024 were audited by previous statutory auditors, who, vide their report dated May 28, 2024, expressed an unmodified opinion on those Consolidated Financial Statements.

Our opinion on the Consolidated Financial Statements is not modified in respect of this matter.

2. The Consolidated Financial Statements include the Group's share of net profit after tax of Rs. (2689.86) Lakhs and Rs (786.36) Lakhs and total comprehensive income of Rs. (4625.14) Lakhs and Rs 1191.96 lakhs for the quarter and year ended March 31, 2025 respectively, as considered in the consolidated financial statements, in respect of one associate, whose financial statements have not been audited by us. These financial statements have been audited by other auditor whose report has been furnished to us by the Parent Company's Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this associate, is based solely on the report of the other auditor.

Our opinion on the Consolidated Financial Statements is not modified in respect of the above matter, regarding our reliance on the work done by and the report of the other auditor

3. We did not audit the financial statements of two subsidiaries whose financial statements reflect total assets of Rs. 6,285.06 Lakhs as at March 31, 2025, total revenues of Rs 36.08 Lakhs and Rs. 108.35

Independent Auditor's Report

Lakhs, total net profit/(loss) after tax of Rs. 42.39 Lakhs and Rs. 96.02 Lakhs, total comprehensive income of Rs. (799.57) Lakhs and Rs.566.94 Lakhs for the quarter and year ended March 31, 2025 respectively and cash inflows/(outflows) (net) of Rs.107.25 Lakhs for the year ended on that date, as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Parent Company's Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these two subsidiaries, is based solely on the report of such auditors.

Our opinion on the Consolidated Financial Statements is not modified in respect of the above matter, regarding our reliance on the work done by and the report of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate financial statements of the subsidiaries and associate referred to in the Other Matters section above, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept, so far as it appears from our examination of those books and the reports of the other auditors.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors of the Parent Company as on March 31, 2025 taken on record by the Board of Directors of the Parent Company and the reports of the statutory auditors of its subsidiary companies and associate company incorporated in India, none of the directors of the Group Companies and its associate company, incorporated in India, is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to consolidated financial statements and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**" which is based on the auditors' reports of the Parent Company, subsidiary companies and associate company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to consolidated financial statements of those companies.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the auditor's reports of subsidiary companies and associate company :

Independent Auditor's Report

- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position – refer Note 33 to the consolidated financial statements ;
- ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent Company, its subsidiary companies and associate company;
- iv.
 - a) The respective Managements of the Parent Company and its subsidiaries and associate, whose financial statements have been audited under the Act, have represented to us and to the other auditors of such subsidiaries and associate respectively, that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent or any of such subsidiaries or associate to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in any other persons or entities identified in any manner whatsoever by or on behalf of the Parent Company or any of such subsidiaries or associate ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The respective Managements of the Parent Company and its subsidiary and associate, whose financial statements have been audited under the Act, have represented to us and to the other auditors of such subsidiaries and associate respectively that, to the best of their knowledge and belief, no funds have been received by the Parent Company or any of such subsidiaries or associate from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Parent Company or any of such subsidiaries or associate shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, performed by us and those performed by the auditors of the subsidiaries and associate whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The dividends declared or paid during the year by the Parent Company and it's associate company are in compliance with Section 123 of the Act, as applicable. No dividend has been declared or paid during the year by the subsidiary companies in the Group.
- vi. Based on our examination which included test checks, and based on the other auditors' reports of the subsidiaries and associate of the Parent Company whose financial statements have been audited under the Act, the Parent company, it's subsidiaries and associate company have used accounting software for maintaining their respective books of account

Independent Auditor's Report

for the year ended March 31, 2025, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software. Further, during the course of our audit, we and the respective other auditors, whose reports have been furnished to us by the management of the Parent Company, have not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Parent Company and its subsidiary companies and associate company as per the statutory requirements for record retention, except for the instances mentioned below:

In respect of one subsidiary company, its auditor has reported that the audit trail (edit log) " is not preserved for the financial year 2023-24 in accordance with statutory requirements for record retention".

In respect of the other subsidiary company, its auditor has not reported on the aspect of preservation of audit trail.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies(Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's Report, according to the information and explanations given to us and based on the auditor's report issued by us on the standalone financial statements of the Parent Company and the auditors' reports of the other auditors of the subsidiaries and associate of the Parent Company, as provided to us by the Management of the Parent Company, we report that there are no qualifications or adverse remarks by the auditors in the CARO reports of the said respective companies.
3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the auditor's reports of subsidiary companies and associate company, the remuneration paid by the Parent Company and such subsidiary companies and associate company to their respective directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Act.

Annexure – “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our Report of even date, to the members of Piani Investment and Industries Corporation Limited, on the consolidated financial statements for the year ended March 31, 2025)

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of sub- section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2025, we have audited the internal financial controls with reference to Consolidated Financial Statements of Piani investment and Industries Corporation Limited (hereinafter referred to as the “Parent Company”), its subsidiary companies and its associate company, which are companies incorporated in India, as of that date.

Management’s and Board of Directors’ Responsibilities for Internal Financial Controls

The respective Board of Directors of the Parent Company, its subsidiary companies and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial Statements, based on the internal control over financial reporting criteria established by the Parent Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective companies’ policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements of the Parent Company, its subsidiary companies and its associate company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Annexure – “A” to the Independent Auditor’s Report

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and associate company, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated Financial Statements of the Parent Company, its subsidiary companies and its associate company, which are companies incorporated in India.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company’s internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Parent Company, its subsidiary companies and its associate company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at March 31, 2025, based on the criteria for internal financial controls with reference to Consolidated Financial Statements established by the respective companies, considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Annexure – “A” to the Independent Auditor’s Report

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements, in so far as it relates to two subsidiary companies and an associate company, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matter.

CORPORATE INFORMATION

Pilani Investment and Industries Corporation Limited (The “Company”) (The “Parent”), is a limited company incorporated and domiciled in India. The registered office of the company is at “Birla Building”, 9/1, R. N. Mukherjee Road, 11th floor, Kolkata – 700001, West Bengal, India.

The Company is registered with the Reserve Bank of India (“RBI”) as a Systemically Important Non-Deposit Accepting Company (“NBFC”) is holding investments in its subsidiaries and associate other companies, mutual funds etc. and carries out only such activities as are permitted under the guidelines issued by RBI for NBFC. The Company’s application to Reserve Bank of India (“RBI”) for conversion from Non- Banking Financial Company to Core Investment Company has since been processed by RBI and as directed by RBI vide its letter dated May 21, 2025, the Company has surrendered the original Certificate of Registration issued by RBI as a NBFC-ICC and the Company is awaiting receipt of the fresh Certificate of Registration as a Core Investment Company.

Its shares are listed on the BSE Limited (BSE), India, and National Stock Exchange of India Limited (NSE), India.

Material Accounting Policies:

1. Statement of Compliance

The Consolidated financial statements of Pilani Investment and Industries Corporation Limited and its subsidiaries and associate (together the “Group”) have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 read with sub-section (1) of section 210A of the Companies Act, 2013. In addition, the applicable regulation of Reserve Bank of India (RBI) and the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied.

1.1. Basis of Preparation

The consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

Fair value measurements under Ind AS are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Group can access at reporting date.
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly: and
- Level 3 inputs are unobservable inputs for the valuation of assets or liabilities.

1.2. Presentation of Financial Statements

The Consolidated Balance Sheet and the Consolidated Statement of Profit and Loss are prepared and presented in the format prescribed in the Division III to Schedule III to the Companies Act,

Notes forming part of the Consolidated Financial Statements (Contd.)

2013 ("the Act") applicable for Non-Banking Finance Companies ("NBFC"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the Consolidated financial statements along with the other notes required to be disclosed under the notified accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Amounts in the Consolidated financial statements are presented in Indian Rupees in Lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013. Per share data are presented in Indian Rupee to two decimal places.

1.3. Basis of consolidation:

- (i) The consolidated financial statements incorporate the financial statements of the Company and its subsidiaries. For this purpose, an entity which is, directly or indirectly, controlled by the company is treated as subsidiary. The Company together with its subsidiaries constitute the Group. Control is achieved when the Group, directly or indirectly:
 - has power over the investee.
 - has exposure, or has rights, to variable returns from its involvement with the investee; and
 - has the ability to use its power to affect its returns.
- (ii) The Group reassesses whether or not it controls an investee, if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.
- (iii) Profit or loss and each component of other comprehensive income are attributed to the owners of the company and to the non-controlling interests (NCI) and have been shown separately in the financial statements. Total comprehensive income of the subsidiaries is attributed to the owners of the Parent Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.
- (iv) Where necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Company.
- (v) All intragroup assets and liabilities, equity, income, expenses, unrealised profits/ losses and cash flows relating to transactions between the members of the Group are eliminated on consolidation.
- (vi) The consolidated financial statements of the Group combine financial statements of the Parent Company and its subsidiaries line by-line by adding together the like items of assets, liabilities, income and expenses.

Notes forming part of the Consolidated Financial Statements (Contd.)

- (vii) Non-controlling interest represents that part of the total comprehensive income and net assets of subsidiaries attributable to interests which are not owned, directly or indirectly, by the Parent Company.

1.4. Investments in associates:

An Associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies. Investment in associates are accounted using the equity method of accounting after initially being recognised at cost

Under the equity method, an investment in associate is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognise the Group's share of profit or loss and other comprehensive income of the associate. Distributions received from an associate reduce the carrying amount of the investment. When the Group's share of losses of an associate exceeds the Group's interest in that associate, the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate.

The carrying amount of investment in associates is reduced to recognize impairment, if any, when there is objective evidence of impairment.

1.5. Goodwill:

Goodwill on consolidation as on the date of transition represents the excess of cost of acquisition at each point of time of making the investment in the subsidiary over the Group's share in the net worth of a subsidiary. For this purpose, the Group's share of net worth is determined on the basis of the latest financial statements, prior to the acquisition, after making necessary adjustments for material events between the date of such financial statements and the date of respective acquisition. Capital reserve on consolidation represents excess of the Group's share in the net-worth of a subsidiary over the cost of acquisition at each point of time of making the investment in the subsidiary. Goodwill arising on consolidation is not amortised, however, it is tested for impairment annually. In the event of cessation of operations of a subsidiary, the unimpaired goodwill is written off fully.

For the purposes of impairment testing, goodwill is allocated to each of the Group's cash generating units (or groups of cash generating units) that is expected to benefit from the synergies of the combination.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying of each asset in the unit. Any impairment loss for goodwill is recognised directly in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

Notes forming part of the Consolidated Financial Statements (Contd.)

1.6. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured at the fair value of the consideration received or receivable as reduced for estimated customer credits and other similar allowances.

i) Interest and Dividend Income

Interest income is recognised in the Statement of Profit and Loss and for all financial instruments except for those classified as held for trading or those measured or designated as at fair value through profit or loss (FVTPL) is measured using the effective interest method (EIR).

The calculation of the EIR includes all fees and points paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets at FVTPL transaction costs are recognised in profit or loss at initial recognition.

The interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets the interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for expected credit losses (ECLs)).

For financial assets originated or purchased credit impaired (POCI) the EIR reflects the ECLs in determining the future cash flows expected to be received from the financial asset.

Dividend income is recognised when the Group's right to receive dividend is established by the reporting date and no significant uncertainty as to collectability exists.

ii) Net Gain or Fair Value Changes

Any differences between the fair values of the financial assets classified as fair value through the profit or loss, held by the Group on the balance sheet date is recognised as an unrealised gain/loss in the statement of profit and loss. In cases there is a net gain in aggregate, the same is recognised in "Net gains or fair value changes" under revenue from operations and if there is a net loss the same is disclosed "Expenses", in the statement of profit and loss.

iii) Rental income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease terms and is included in rental income in the statement of profit and loss, unless the increase is in line with expected general inflation, in which case lease income is recognised based on contractual terms.

iv) Other Operational Revenue

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

Notes forming part of the Consolidated Financial Statements (Contd.)

1.7. Properties, Plant and Equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Cost includes all direct cost related to the acquisition of PPE and, for qualifying assets, borrowing costs capitalised in accordance with the Group's accounting policy.

Land and buildings held for use are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work in progress".

Depreciation is recognised using reducing balance method so as to write off the cost of the assets (other than freehold land) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in case of assets where the useful life was determined by technical evaluation, over the useful life so determined. Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end with the effect of any change in the estimates of useful life/ residual value is accounted on prospective basis.

Depreciation for additions to/deductions from, owned assets is calculated pro rata to the period of use. Depreciation charge for impaired assets is adjusted in future periods in such a manner that the revised carrying amount of the asset is allocated over its remaining useful life.

Assets held under finance leases are depreciated over the shorter of lease term and their useful life on the same basis as owned assets. However, when there is no reasonable certainty that the Group shall obtain ownership of the assets at the end of the lease term, such assets are depreciated based on the useful life prescribed under Schedule II to the Companies Act, 2013 or based on the useful life adopted by the Group for similar assets.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is recognised in profit or loss.

1.8. Investment Property

Investment properties are properties (including those under construction) held to earn rentals and / or capital appreciation are classified as investment property and are measured and reported at cost including transaction costs.

Depreciation is recognised using reducing balance method so as to write off the cost of the investment property less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.

Notes forming part of the Consolidated Financial Statements (Contd.)

Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future benefits embodied in the investment property. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life / residual value is accounted on prospective basis. Freehold land and properties under construction are not depreciated.

As investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of property is recognised in the Statement of Profit and Loss in the same period.

1.9. Intangible Assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Direct expenses and administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

Intangible assets are amortised on straight line basis over the estimated useful life. The method of amortisation and useful life are reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset are recognised in profit or loss when the asset is derecognised.

1.10. Impairment of Tangible and Intangible Assets other than Goodwill

As at the end of each accounting year, the Group reviews the carrying amounts of its PPE and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE, investment property and intangible assets are tested for impairment so as to determine the impairment loss, if any. Goodwill and the intangible assets with indefinite life are tested for impairment each year.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined:

- i) in the case of an individual asset, at the higher of the net selling price and the value in use; and
- ii) in the case of a cash generating unit (the smallest identifiable Group of assets that generates independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

Notes forming part of the Consolidated Financial Statements (Contd.)

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. For this purpose, the impairment loss recognised in respect of a cash generating unit is allocated first to reduce the carrying amount of any goodwill allocated to such cash generating unit and then to reduce the carrying amount of the other assets of the cash generating unit on a pro-rata basis.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit), except for allocated goodwill, is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss (other than impairment loss allocated to goodwill) is recognised immediately in the Statement of Profit and Loss.

1.11. Employee Benefits

i) Short Term Employee Benefits

Employee benefits falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

ii) Post-employment benefits:

- a) Defined contribution plans: The Group's superannuation scheme, recognised provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.
- b) Defined benefit plans: The obligation in respect of defined benefit plans, which cover Gratuity are provided for on the basis of an actuarial valuation at the end of each financial year using project unit credit method. The Group's liability is actuarially determined (using the Projected Unit Credit Method) at the end of the year. Actuarial losses/gains are recognised in the Other Comprehensive Income in the year in which they arise.

Re-measurement, comprising actuarial gains and losses, is reflected immediately in the Balance Sheet with a charge or credit recognised in the Other Comprehensive Income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss.

Notes forming part of the Consolidated Financial Statements (Contd.)

Defined benefit costs are categorised as follows:

- i) Service cost (including current service cost, past service cost, as well as gain and losses on curtailments and settlements).
- ii) Net interest expense or income; and
- iii) Re-measurement.

The Group presents the first two components of defined benefit costs in Statement of Profit and Loss in the line item 'Employee Benefits Expense'.

The present value of the defined benefit plan liability is calculated using a discount rate, which is determined by reference to market yields at the end of the reporting period on government bonds.

The retirement benefit obligation, recognized in the Balance Sheet, represents the Group's liability based on actuarial valuation.

iii) **Long term employee benefits:**

The obligation recognised in respect of long term benefits such as long term compensated absences is measured at present value of estimated future cash flows expected to be made by the Group and is recognised in a similar manner as in the case of defined benefit plans vide (ii) (b) above.

iv) **Termination benefits:**

Termination benefits such as compensation under employee separation schemes are recognised as expense when the Group's offer of the termination benefit is accepted or when the Group recognises the related restructuring costs whichever is earlier.

1.12. Leases

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Group is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Group is reasonably certain not to exercise that option. In assessing whether the Group is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Group revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Notes forming part of the Consolidated Financial Statements (Contd.)

Group as a lessee

The Group accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component based on the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Group recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Group uses incremental borrowing rate. For leases with reasonably similar characteristics, the Group, on a lease-by-lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Group is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The Group recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Group recognises any remaining amount of the re-measurement in statement of profit and loss.

Group as a Lessor

At the inception of the lease the Group classifies each of its leases as either an operating lease or a finance lease. The Group recognise lease payments received under operating leases as income on a straight-line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's

Notes forming part of the Consolidated Financial Statements (Contd.)

net investment in the lease. When the Group is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short-term lease to which the Group applies the exemption described above, then it classifies the sub-lease as an operating lease.

The Group has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

1.13. Financial Instruments

Financial assets and financial liabilities are recognised in the Group's balance sheet when the Group becomes a party to the contractual provisions of the instrument.

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

A financial asset and a financial liability is offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

1) Financial Assets

a) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to sole payments of principal and interest on the principal amount outstanding and by selling financial assets.

c) Equity Instruments at fair value through other comprehensive income (FVTOCI)

On initial recognition of an equity investment that is not held for trading, the Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment- by-investment basis.

Notes forming part of the Consolidated Financial Statements (Contd.)

These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss. Other net gains and losses in fair value are recognised in OCI and are not reclassified to profit or loss.

d) Debt instruments at amortised cost or at FVTOCI

The Group assesses the classification and measurement of a financial asset based on the contractual cash flow characteristics of the asset and the Group's business model for managing the asset.

For an asset to be classified and measured at amortised cost, its contractual terms should give rise to cash flows that are solely payments of principal and interest on the principal outstanding (SPPI).

For an asset to be classified and measured at FVTOCI, the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and the contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Group has more than one business model for managing its financial instruments which reflect how the Group manages its financial assets in order to generate cash flows. The Group's business models determine whether cash flows will result from collecting contractual cash flows, selling financial assets or both.

The Group considers all relevant information available when making the business model assessment. However, this assessment is not performed on the basis of scenarios that the Group does not reasonably expect to occur, such as so-called 'worst case' or 'stress case' scenarios. The Group takes into account all relevant evidence available such as:

- how the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel.
- the risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way in which those risks are managed; and
- how managers of the business are compensated (e.g. whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).

The Group reassess its business models each reporting period to determine whether the business models have changed since the preceding period. For the current and prior reporting period the Group has not identified a change in its business models.

When a debt instrument measured at FVTOCI is derecognised, the cumulative gain/loss previously recognised in OCI is reclassified from equity to profit or loss.

In contrast, for an equity investment designated as measured at FVTOCI, the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to profit or loss but transferred within equity.

Notes forming part of the Consolidated Financial Statements (Contd.)

Debt instruments that are subsequently measured at amortised cost or at FVTOCI are subject to impairment.

e) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.

The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

f) De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily de-recognised when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and
- either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

2) Financial liabilities

- a) Financial liabilities, including derivatives, which are designated for measurement at FVTPL are subsequently measured at fair value. Financial guarantee contracts are subsequently measured at the amount of impairment loss allowance or the amount recognised at inception net of cumulative amortisation, whichever is higher.

All other financial liabilities including loans and borrowings are measured at amortised cost using Effective Interest Rate (EIR) method.

- b) A financial liability is derecognised when the related obligation expires or is discharged or cancelled.

1.14. Write Off

Loans and debt securities are written off when the Group has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Group determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a derecognition event. The Group may apply enforcement activities to financial assets written off. Recoveries resulting from the Group's enforcement activities will result in impairment gains.

Notes forming part of the Consolidated Financial Statements (Contd.)

1.15. Impairment

The Group recognises loss allowances for ECLs on the following financial instruments that are not measured at FVTPL:

- Loans and advances to customers.
- Debt investment securities.
- Trade and other receivable.
- Lease receivables.
- Irrevocable loan commitments issued; and
- Financial guarantee contracts issued.

Credit-impaired financial assets

A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Credit-impaired financial assets are referred to as Stage 3 assets. Evidence of credit impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer.
- a breach of contract such as a default or past due event.
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider.
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

It may not be possible to identify a single discrete event—instead, the combined effect of several events may have caused financial assets to become credit-impaired. The Group assesses whether debt instruments that are financial assets measured at amortised cost or FVTOCI are credit-impaired at each reporting date. To assess if corporate debt instruments are credit impaired, the Group considers factors such as bond yields, credit ratings and the ability of the borrower to raise funding.

A loan is considered credit-impaired when a concession is granted to the borrower due to a deterioration in the borrower's financial condition, unless there is evidence that as a result of granting the concession the risk of not receiving the contractual cash flows has reduced significantly and there are no other indicators of impairment.

For financial assets where concessions are contemplated but not granted the asset is deemed credit impaired when there is observable evidence of credit-impairment including meeting the definition of default. The definition of default (see below) includes unlikelihood to pay indicators and a backstop if amounts are overdue for 90 days or more.

Notes forming part of the Consolidated Financial Statements (Contd.)

Significant increase in credit risk

The Group monitors all financial assets and financial guarantee contracts that are subject to the impairment requirements to assess whether there has been a significant increase in credit risk since initial recognition. If there has been a significant increase in credit risk the Group will measure the loss allowance based on lifetime rather than 12-month ECL.

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Group compares the risk of a default occurring on the financial instrument at the reporting date based on the remaining maturity of the instrument with the risk of a default occurring that was anticipated for the remaining maturity at the current reporting date when the financial instrument was first recognised. In making this assessment, the Group considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort, based on the Group's historical experience and expert credit assessment.

Given that a significant increase in credit risk since initial recognition is a relative measure, a given change, in absolute terms, in the Probability of Default will be more significant for a financial instrument with a lower initial PD than compared to a financial instrument with a higher PD.

As a back-stop when loan asset not being a corporate loans becomes 30 days past due, the Group considers that a significant increase in credit risk has occurred and the asset is in stage 2 of the impairment model, i.e. the loss allowance is measured as the lifetime ECL in respect of all retail assets. In respect of the corporate loan assets, shifting to Stage 2 has been rebutted using historical evidence from own portfolio to a threshold of 60 days past due, which is reviewed annually.

Purchased or originated credit impaired (POCI) financial assets

POCI financial assets are treated differently because the asset is credit-impaired at initial recognition. For these assets, the Group recognises all changes in lifetime ECL since initial recognition as a loss allowance with any changes recognised in profit or loss. A favourable change for such assets creates an impairment gain.

Definition of default

Critical to the determination of ECL is the definition of default. The definition of default is used in measuring the amount of ECL and in the determination of whether the loss allowance is based on 12-month or lifetime ECL, as default is a component of the probability of default (PD) which affects both the measurement of ECLs and the identification of a significant increase in credit risk.

The Group considers the following as constituting an event of default:

- the borrower is past due more than 90 days on any material credit obligation to the Group: or
- the borrower is unlikely to pay its credit obligations to the Group in full.

The definition of default is appropriately tailored to reflect different characteristics of different types of assets.

When assessing if the borrower is unlikely to pay its credit obligation, the Group takes into account both qualitative and quantitative indicators. The information assessed depends on the type of the

Notes forming part of the Consolidated Financial Statements (Contd.)

asset, for example in corporate lending a qualitative indicator used is the admittance of bankruptcy petition by National Company Law Tribunal, which is not relevant for retail lending. Quantitative indicators, such as overdue status and non-payment on another obligation of the same counter party are key inputs in this analysis. The Group uses a variety of sources of information to assess default which are either developed internally or obtained from external sources. The definition of default is applied consistently to all financial instruments unless information becomes available that demonstrates that another default definition is more appropriate for a particular financial instrument. With the exception of POCI financial assets (which are considered separately below), ECLs are required to be measured through a loss allowance at an amount equal to:

- 12-month ECL, i.e. lifetime ECL that result from those default events on the financial instrument that are possible within 12 months after the reporting date, (referred to as Stage 1); or
- full lifetime ECL, i.e. lifetime ECL that result from all possible default events over the life of the financial instrument, (referred to as Stage 2 and Stage 3).

A loss allowance for full lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition (and consequently to credit impaired financial assets). For all other financial instruments, ECLs are measured at an amount equal to the 12-month ECL.

ECLs are a probability-weighted estimate of the present value of credit losses. These are measured as the present value of the difference between the cash flows due to the Group under the contract and the cash flows that the Group expects to receive arising from the weighting of multiple future economic scenarios, discounted at the asset's EIR.

- for financial guarantee contracts, the ECL is the difference between the expected payments to reimburse the holder of the guaranteed debt instrument less any amounts that the Group expects to receive from the holder, the debtor or any other party.

The Group measures ECL on an individual basis, or on a collective basis for portfolios of loans that share similar economic risk characteristics.

1.16. Modification and derecognition of financial assets

A modification of a financial asset occurs when the contractual terms governing the cash flows of a financial asset are renegotiated or otherwise modified between initial recognition and maturity of the financial asset. A modification affects the amount and/or timing of the contractual cash flows either immediately or at a future date. In addition, the introduction or adjustment of existing covenants of an existing loan may constitute a modification even if these new or adjusted covenants do not yet affect the cash flows immediately but may affect the cash flows depending on whether the covenant is or is not met (e.g. a change to the increase in the interest rate that arises when covenants are breached).

The Group renegotiates loans to customers in financial difficulty to maximise collection and minimise the risk of default. A loan forbearance is granted in cases where although the borrower made all reasonable efforts to pay under the original contractual terms, there is a high risk of default or default has already happened and the borrower is expected to be able to meet the revised terms. The revised terms in most of the cases include an extension of the maturity of

Notes forming part of the Consolidated Financial Statements (Contd.)

the loan, changes to the timing of the cash flows of the loan (principal and interest repayment), reduction in the amount of cash flows due (principal and interest forgiveness) and amendments to covenants.

When a financial asset is modified the Group assesses whether this modification results in derecognition. In accordance with the Group's policy a modification results in derecognition when it gives rise to substantially different terms. To determine if the modified terms are substantially different from the original contractual terms the Group considers the following:

- Qualitative factors, such as contractual cash flows after modification are no longer SPPI,
- Change in currency or change of counter party,
- The extent of change in interest rates, maturity, covenants.

If these do not clearly indicate a substantial modification, then.

- a) In the case where the financial asset is derecognised the loss allowance for ECL is re-measured at the date of derecognition to determine the net carrying amount of the asset at that date.

The difference between this revised carrying amount and the fair value of the new financial asset with the new terms will lead to a gain or loss on derecognition. The new financial asset will have a loss allowance measured based on 12-month ECL except in the rare occasions where the new loan is considered to be originated-credit impaired. This applies only in the case where the fair value of the new loan is recognised at a significant discount to its revised paramount because there remains a high risk of default which has not been reduced by the modification. The Group monitors credit risk of modified financial assets by evaluating qualitative and quantitative information, such as if the borrower is in past due status under the new terms.

- b) When the contractual terms of a financial asset are modified and the modification does not result in derecognition, the Group determines if the financial asset's credit risk has increased significantly since initial recognition by comparing:
 - the remaining lifetime PD estimated based on data at initial recognition and the original contractual terms; with
 - the remaining lifetime PD at the reporting date based on the modified terms.

For financial assets modified, where modification did not result in derecognition, the estimate of PD reflects the Group's ability to collect the modified cash flows taking into account the Group's previous experience of similar forbearance action, as well as various behavioural indicators, including the borrower's payment performance against the modified contractual terms. If the credit risk remains significantly higher than what was expected at initial recognition the loss allowance will continue to be measured at an amount equal to lifetime ECL. The loss allowance on forborne loans will generally only be measured based on 12-month ECL when there is evidence of the borrower's improved repayment behaviour following modification leading to a reversal of the previous significant increase in credit risk.

Notes forming part of the Consolidated Financial Statements (Contd.)

Where a modification does not lead to derecognition the Group calculates the modification gain/loss comparing the gross carrying amount before and after the modification (excluding the ECL allowance). Then the Group measures ECL for the modified asset, where the expected cash flows arising from the modified financial asset are included in calculating the expected cash shortfalls from the original asset.

The Group derecognises a financial asset only when the contractual rights to the asset's cash flows expire (including expiry arising from a modification with substantially different terms), or when the financial asset and substantially all the risks and rewards of ownership of the asset are transferred to another entity. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay.

If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain/loss that had been recognised in OCI and accumulated in equity is recognised in profit or loss, with the exception of equity investment designated as measured at FVTOCI, where the cumulative gain/loss previously recognised in OCI is not subsequently re-classified to profit or loss.

On derecognition of a financial asset other than in its entirety (e.g. when the Group retains an option to repurchase part of a transferred asset), the Group allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain/loss allocated to it that had been recognised in OCI is recognised in profit or loss. A cumulative gain/loss that had been recognised in OCI is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts. This does not apply for equity investments designated as measured at FVTOCI, as the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to profit or loss.

1.17. Presentation of allowance for ECL in the Balance Sheet

Loss allowances for ECL are presented in the statement of financial position as follows:

- for financial assets measured at amortised cost: as a deduction from the gross carrying amount of the assets.
- for debt instruments measured at FVTOCI: no loss allowance is recognised in Balance Sheet as the carrying amount is at fair value.

Notes forming part of the Consolidated Financial Statements (Contd.)

1.18. Cash and bank balances:

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

1.19. Borrowing costs:

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings, to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings, that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

1.20. Accounting and reporting of information for Operating Segments:

Operating segments are those components of the business whose operating results are regularly reviewed by the chief operating decision making body in the Group to make decisions for performance assessment and resource allocation. The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments. Segment accounting policies are in line with the accounting policies of the Group.

1.21. Foreign currencies:

- i) The functional currency and presentation currency of the Group is Indian Rupee. Functional currency of the Group and foreign operations has been determined based on the primary economic environment in which the Group and its foreign operations operate considering the currency in which funds are generated, spent and retained.
- ii) Transactions in currencies other than the Group's functional currency are recorded on initial recognition using the exchange rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the prevailing closing spot rate. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the Statement of Profit and Loss in the period in which they arise.

- iii) Financial statements of foreign operations whose functional currency is different than Indian Rupees are translated into Indian Rupees as follows:

Notes forming part of the Consolidated Financial Statements (Contd.)

- A. assets and liabilities for each Balance Sheet presented are translated at the closing rate at the date of that Balance Sheet.
- B. income and expenses for each income statement are translated at average exchange rates; and
- C. all resulting exchange differences are recognised in other comprehensive income and accumulated in equity as foreign currency translation reserve for subsequent reclassification to profit or loss on disposal of such foreign operations.

1.22. Taxation:

Current Tax:

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to an item which is recognised directly in equity or in other comprehensive income.

Current tax is the expected tax payable/ receivable on the taxable income/ loss for the year using applicable tax rates for the relevant period, and any adjustment to taxes in respect of previous years.

Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Group's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax expenses in respect of unutilised tax credit in the group mainly relates to minimum alternative tax which are recognised to the extent it is probable of such unutilised tax credit will get realised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

Notes forming part of the Consolidated Financial Statements (Contd.)

1.23. Provisions, contingent liabilities and contingent assets:

Provisions are recognised only when:

- i) a Group entity has a present obligation (legal or constructive) as a result of a past event; and
- ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- iii) a reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- ii) a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

1.24. Commitment:

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- a) estimated number of contracts remaining to be executed on capital account and not provided for.
- b) uncalled liability on shares and other investments partly paid.
- c) funding related commitment to associate companies; and
- d) other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

1.25. Non-current assets held for sale:

Non-current assets and disposal groups are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset (or disposal group) and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.

Notes forming part of the Consolidated Financial Statements (Contd.)

Non-current assets and disposal groups classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell.

1.26. Statement of cash flows:

Statement of cash flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i) changes during the period in operating receivables and payables transactions of a non-cash nature.
- ii) non-cash items such as depreciation, provisions, deferred taxes, unrealised gains and losses; and
- iii) all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

1.27. Earnings per share:

The Group presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Group by the weighted average number of ordinary shares outstanding during the year.

Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

1.28. Key source of estimation:

The preparation of financial statements in conformity with Ind AS requires that the management of the Group makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment & intangible assets, expected credit loss on loan books, future obligations in respect of retirement benefit plans, fair value measurement etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

Rates, taxes & duties demanded by various authorities	1,374.07	925.09
Others	149.66	196.34
ii) Claims not acknowledged as debts jointly with other members of "Business Consortium of Companies" in which the company had an interest (proportionate).	932.38	905.23
b. For income tax matters	4,601.96	4,414.89
c. The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post employment benefit received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/enterpration have not been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective. Based on a preliminary assesssment, the entity belives the impact of the change will not be significant.	Amount not determinable	Amount not determinable

Note No. 34 : Corporate social responsibility ("CSR") expenses

As per Section 135 of the Companies Act, 2013 ("Act"), a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. The areas for CSR activities are healthcare including preventive healthcare, providing safe drinking water, sanitation facility, promoting education, old age home maintenance, environmental sustainability and promotion and development of traditional art and handicrafts. A CSR committee has been formed by the company as per the Act.

The funds were primarily allocated to a corpus and utilized through the year on these activities which are specified in Schedule VII of the Companies Act, 2013

Notes forming part of the Consolidated Financial Statements (Contd.)

The amounts spent are as follows:

(₹ In Lakhs)

Particulars	For the year ended 31st March, 2025	For the year ended 31st March, 2024
(a) amount required to be spent by the company during the year	303.42	282.20
(b) amount of expenditure incurred	254.14	266.66
(c) shortfall at the end of the year	49.28	15.54
(d) total of previous year shortfall	-	-
(e) reason for shortfall	The said shortfall occurred as certain pre-disbursal formalities were pending at the implementing agency's end, in respect of the ongoing programme/project. However, the shortfall was duly provided for as a liability in the financial statements for the financial year 2024-25 by a corresponding charge to the Statement of Profit and Loss, as during the said year the Company had undertaken a binding commitment to the said implementing agency.	The Company was in touch with various prospective implementing agencies/beneficiaries in consonance with the CSR Policy and Annual Action Plan, but the same could not be materialised by 31st March, 2024.
(f) nature of CSR activities		
(i) construction/acquisition of any assets	-	-
(ii) on purpose other than (i) above	254.14	266.66
(g) details of related party transactions,	NA	NA
(h) provision made with respect to a liability incurred by entering into contractual obligations	NA	NA

Note No. 35 : Lease Disclosures

(a) As lessee

During the period ended March 31, 2025 the expense recognized in the statement of profit and loss includes:

(i) Rental Expenses recorded for Short-term lease ₹ 31.35 Lakhs for the year ended 31 March, 2025 (Previous Year: ₹ 29.64 Lakhs)

Notes forming part of the Consolidated Financial Statements (Contd.)

(b) Operating lease commitments – as lessor

The Group has let out portions of office premises along with furniture and fixtures and other amenities on operating lease. It has recognised lease rental income amounting to ₹ 126.83 Lakhs and ₹ 145.60 Lakhs for the year ended 31st March 2025 and 2024 respectively in the statement of profit and loss.

Note No. 36 : Segment reporting

Operating segment are components of the Group whose operating results are regularly reviewed by the Chief Operating Decision Maker ("CODM") to make decisions about resources to be allocated to the segment and assess its performance and for which discrete financial information is available.

The Company is engaged primarily on the business of "Investments and Financing" only, taking into account the risks and returns, the organization structure and the internal reporting systems. All the operations of the Company are in India. All non-current assets of the Company are located in India. Accordingly, there are no separate reportable segments as per Ind AS 108 – "Operating segments".

Note No. 41 : Employee benefit plan :

Disclosure in respect of employee benefits under Ind AS 19 - Employee Benefit are as under:

(a) Defined contribution plan

The Company's contribution to provident fund are considered as defined contribution plans. The Company's contribution to provident fund aggregating ₹ 20.23 lakhs (31st March, 2024: ₹ 20.50 lakhs) has been recognised in the statement of profit and loss under the head employee benefits expense.

Notes forming part of the Consolidated Financial Statements (Contd.)

(b) Defined benefit plan:

Gratuity

The Company operates a defined benefit plan (the “gratuity plan”) covering eligible employees. The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member’s length of service and salary at retirement age/ resignation date.

The defined benefit plans expose the Company to risks such as actuarial risk, liquidity risk, legislative risk.

These are discussed as follows:

Actuarial risk: It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons:

Adverse salary growth experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in obligation at a rate that is higher than expected.

Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cash flow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

Liquidity risk: Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign / retire from the Company, there can be strain on the cash flows.

Legislative risk: Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation/regulation. The government may amend the Payment of Gratuity Act, 1972, thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the defined benefit obligation and the same will have to be recognized immediately in the year when any such amendment is effective.

Notes forming part of the Consolidated Financial Statements (Contd.)

The status of gratuity plan as required under Ind AS-19 is as under

(₹ In Lakhs)

1) The Group has not disclosed the fair values for cash and cash equivalents, bank balances, trade receivables, loans, term deposits, trade payables and other financial liabilities as these are short term in nature and their carrying amounts are a reasonable approximation of fair value.

2) The carrying amount of the investment in associate is valued at cost.

Reconciliation of level 3 fair value measurement is as follows:

(₹ In Lakhs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
i) Investment		
Balance at the beginning of the year	389.57	389.57
Gain included in OCI	-	-
Net change in fair value (unrealised)	-	-
Addition during the year	-	-
Impairment in value of investments	-	-
Amount derecognised / repaid during the year	-	-
Amount written off	-	-
Balance at the end of the year	389.57	389.57

B. Measurement of fair values**i) Valuation techniques and significant unobservable inputs**

The carrying amounts of financial assets and liabilities which are at amortised cost are considered to be the same as their fair values as there is no material differences in the carrying values presented.

Notes forming part of the Consolidated Financial Statements (Contd.)

ii) Financial instruments - fair value

The fair value of financial instruments as referred to in note (A) above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurement).

The categories used are as follows:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices;

Level 2: The fair value of financial instruments that are not traded in active market is determined using valuation technique which maximizes the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value on instrument are observable, the instrument is included in level 2; and

Level 3: If one or more of significant input is not based on observable market data, the instrument is included in level 3.

iii) Transfers between levels I and II

There has been no transfer in between level I and level II.

iv) Valuation techniques

Investment in equity instruments

The majority equity instruments held by the Group are actively traded on stock exchanges with readily available active prices on a regular basis. Such instruments are classified as level 1.

Investments in mutual Funds are valued as per the NAV prevailing at the end of the financial years and such investments are classified as level 1.

Equity investments in unquoted instruments are fair valued using the valuation technique and accordingly classified as level 3.

C. Capital

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the NBFC's Sector regulator and supervisor, RBI. The adequacy of the Company's capital is monitored using, among other measures, the regulations issued by RBI.

The Company has complied in full with all its externally imposed capital requirements over the reported period. Equity share capital and other equity are considered for the purpose of Company's capital management.

C.1 Capital management

The primary objectives of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

Notes forming part of the Consolidated Financial Statements (Contd.)

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

C.2 Regulatory capital

Ratio	Numerator	Denominator	As at 31st March, 2025	As at 31st March, 2024
CRAR	(CRAR Tier 1 + CRAR Tier II) x 100	Risk Weighted Assets	3.84*	49.57
CRAR- Tier I Capital (%)	Adjusted Net Worth x 100	Total Risk Weighted Assets	3.84*	49.57
CRAR- Tier II Capital (%)	Adjusted Net Worth x 100	Total Risk Weighted Assets	-	-
Amount of subordinated debt raised as Tier-II capital			-	-
Amount raised by issue of perpetual debt instruments			-	-

*Refer Note No. 51

CRAR for 2024-25 & 2023-24 has been calculated on the basis of RBI Circular No. RBI/2019-20/170 DOR (NBFC). CC.PD.No. 109/22.10.106/2019-20 dated March 13, 2020.

Note No. 47 : Financial risk management objectives and policies:

The Company's principal financial liabilities comprise borrowings and trade payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include Investments, Loan, Trade Receivables and Cash and Cash equivalents that derive directly from its operations.

The Company is exposed to credit risk, liquidity risk and market risk. The Company's board of directors has an overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the risk management committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports to the board of directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed to reflect changes in market conditions and the Company's activities.

The Company's risk management committee oversees how management monitors compliance with the Company's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

Notes forming part of the Consolidated Financial Statements (Contd.)

1) Credit risk

Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligations and arises principally from the Company's receivables from customers and loans.

The carrying amounts of financial assets represent the maximum credit risk exposure.

Trade Receivables

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry.

The Group's exposure to credit risk for loans and advances by type of counterparty is as follows:

Particulars	(₹ In Lakhs)	
	As at 31st March, 2025	As at 31st March, 2024
Trade Receivables	54.26	36.96
Loans	1,90,400.00	2,37,700.00

An impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of time value of money and credit risk. For the purposes of this analysis, the trade receivables are categorised into groups based on days past due.

Investments

The major investments of the Group are in the group companies, which includes investment in subsidiaries companies and an associate.

The Group has also made investments in the units of mutual funds on the basis of risk and returns of the respective scheme.

Cash and cash equivalent and Bank deposits

Credit risk on cash and cash equivalent and bank deposits is limited as the Company generally invests in term deposits with banks.

2) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting its obligations associated with its financial liabilities. The Group's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due.

The Group is monitoring its liquidity risk by estimating the future inflows and outflows during the start of the year and planned accordingly the funding requirement. The Group manages its liquidity by term loans, inter-corporate deposit and investment in mutual funds.

Notes forming part of the Consolidated Financial Statements (Contd.)

The table below summarises the maturity profile of the Group's non-derivative financial liabilities based on contractual undiscounted payments along with-it carrying value as at the balance sheet date.

(₹ In Lakhs)

	Up to 12 months	More than 12 months	Total
As at 31st March, 2025			
Debt securities	1,18,689.97	-	1,18,689.97
Borrowings	75,000.00	-	75,000.00
Trade payable	3.02	-	3.02
Other Financial Liabilities	799.09	600.00	1,399.09
As at 31st March, 2024			
Debt securities	94,856.29	-	94,856.29
Borrowings	-	-	-
Trade payable	2.87	-	2.87
Other Financial Liabilities	40.57	600.00	640.57

3) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices.

Market risk includes interest rate risk and foreign currency risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

4) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Floating rate instruments exposes the Group to Cash flow interest risk, whereas fixed interest rate instruments expose the Company to fair value interest risk.

5) Expected Credit Loss

Expected Credit loss is a calculation of the present value of the amount expected to be lost on a financial asset, for financial reporting purposes. Credit risk is the potential that the obligor and counterparty will fail to meet its financial obligations to the lender. This requires an effective assessment and management of the credit risk at both individual and portfolio level.

Notes forming part of the Consolidated Financial Statements (Contd.)

The key components of Credit Risk assessment are:

1. Probability of Default (PD): represents the likelihood of default over a defined time horizon.
2. Exposure at Default (EAD): represents how much the obligor is likely to be borrowing at the time of default.
3. Loss Given Default (LGD): represents the proportion of EAD that is likely to be lost post-default.

The definition of default is taken as 90 days past due for all retail and corporate loans.

Delinquency buckets have been considered as the basis for the staging of all loans in the following manner:

- 0-30 days past due loans classified as stage 1
- Between 31-90 days past due loans classified as stage 2 and
- Above 90 days past due loans classified as stage 3

EAD is the total amount outstanding including accrued interest as on the reporting date.

EAD is the total amount outstanding including accrued interest as on the reporting date.

Credit Quality of Assets

The Non-individual/corporate book is assessed at the loan type level and the provisioning is done at an account level, which is in excess of provisioning requirements as per the Master Direction - Non-Banking Financial Company- Systemically Important- Non Deposit taking Company (Reserve Bank) Directions, 2016. In certain cases, the assessment is done at an account level based on past experience for future cash flows from the project.

The 12 month PD has been applied on stage 1 loans. The PD term structure i.e. Lifetime PD has been applied on the stage 2 loans according to the repayment schedule for stage 2 loans and PD is considered to be 1 for stage 3 loans.

As at 31st March, 2025
